PASS/FAIL POLICY CONTENTS

I. Criteria

Students may enroll in an approved course that can be used to clear a subject requirement outside of the individual’s major field of study. No courses that are a part of a student’s major field of study can be taken as pass/fail courses. If the student takes a course in a field then changes his or her major to the field of study in which the P/F was offered, the letter grade will be used on the student’s transcript. The student will receive a grade of pass in the designated course as long as he or she receives a grade of C (2.0) or better. Courses taken on a pass/fail basis must be accompanied by documentation of a grade of "C" or better.

The total number of credit hours awarded as pass or fail grade shall not exceed 12 for any student’s entire degree program. Students transferring to NSU are given credit for coursework with a grade of “C” or better from regionally accredited institutions of higher learning. Courses taken on a pass/fail basis may be considered for transfer credit if the official college or university transcript or official attachments indicate that a passing grade is equivalent to a grade of “C” or better. No more than 30 pass/fail semester credit hours may be considered for transfer credit. Once the student makes the decision to take a course as a P/F option, the decision cannot be changed by the student.

II. Eligible Courses

- GST 200
- Undergraduate Courses (transfer credits from institutions where the Pass/Fail grading system prevails)
- Graduate Courses (transfer credits from institutions where the Pass/Fail grading system prevails)
