INTRODUCTION

The Office of Financial Aid is firmly committed to supporting students attending Norfolk State University with adequate financial assistance. Due to this commitment, the following guide has been prepared to apprise students of various scholarship opportunities available. These institutional scholarships, provided by the various schools and departments on campus, are offered for the **2012-2013 academic year**.

Please review the criteria very carefully to make certain you are eligible to apply. In order to be considered for the maximum financial assistance available during the **2012-2013** academic year, students should submit all required documents to the Financial Aid Office **before** the priority deadline in order to receive a final award prior to the start of the **2012-2013** academic year.

You are encouraged to apply early, and adhere to the scholarship application deadlines, as well as the financial aid priority deadline of **March 15, 2012**.

Note: Applicants should obtain scholarship applications from the contact person/department listed in this guide if not attached.
