Medical Billing and Coding Intro and Advanced Classes

These classes focus on learning the rules for the CPT, ICD-0-CM, and Level II HCPCS coding systems. It also includes applying the rules to code patient services and much, much more. After completion of the Advanced Class, students will be eligible to sit for the certification exam. Class Prerequisites: There are no minimum state requirements for enrollment. We recommend that students are at least 18 years of age and have earned a high school diploma or its equivalent.
