POLICY STATEMENT

An essential element for continued functionality and operational stability of the University’s information system is the implementation of temperature and humidity controls in areas where the system devices or components reside.

Office of Information Technology

PURPOSE

This control is intended to establish the policy and procedures for the temperature and humidity controls employed by the University within the facility that house its information system.

REQUIREMENTS

NSU:

1. Maintains temperature and humidity levels within the facility where the information system resides at University-defined acceptable levels; and
2. Monitors temperature and humidity levels on a daily basis.

Supplemental Guidance: This control, to include any enhancements specified, may be satisfied by similar requirements fulfilled by another University entity other than the information security program.

VIOLATIONS

Violations of this policy will be addressed in accordance relevant University and Commonwealth of Virginia policies, including University Policy 32-01 and Department of Human Resources Management Policy 1.75. The appropriate level of disciplinary action will be determined on an individual case basis by the appropriate executive or designee, with sanctions up to or including termination or expulsion depending upon the severity of the offense.

INTERPRETATION

The Information Security Officer is responsible for official interpretation of this policy. Questions regarding the application of this policy should be directed to the Office of Information Technology. The Information Security Officer reserves the right to revise or eliminate this policy.

PUBLICATION

This policy shall be widely published and distributed to the University community. To ensure timely publication and distribution thereof, the Responsible Office will make every effort to:

1. Communicate the policy in writing, electronic or otherwise, to the University community within 14 days of approval;
2. Submit the policy for inclusion in the online Policy Library within 14 days of approval;
3. Post the policy on the appropriate SharePoint Site and/or Website; and
4. Educate and train all stakeholders and appropriate audiences on the policy’s content, as necessary. Failure to meet the publication requirements does not invalidate this policy.

REVIEW SCHEDULE

- Next Scheduled Review: 05/28/2015
- Approval by, date: Office of Information Technology and 05/28/2014
- Revision History:
  - Supersedes (previous policy): OIT 62.8.1114 Temperature and Humidity Controls
