PURPOSE

The IT Security Audit policy defines the steps necessary to assess whether IT security controls implemented to mitigate risks are adequate and effective.

Note: In accordance with the Code of Virginia § 2.2-2009, the requirements of this policy apply only to “all executive branch and independent agencies and institutions of higher education.”

REQUIREMENTS

For each IT system classified as sensitive, the data-owning unit shall:

1. Require that the IT systems undergo an IT Security Audit as required by and in accordance with the current version of the IT Security Audit Standard (COV ITRM Standard SEC502).

2. Assign an individual to be responsible for managing IT Security Audits.

3. IT Security Audits should only be performed by independent parties who are not associated with the processes or procedures of the system.

VIOLATIONS

Violations of this policy will be addressed in accordance relevant University and Commonwealth of Virginia policies, including University Policy 60.201 and Department of Human Resources Management Policy 1.75. The appropriate level of disciplinary action will be determined on an individual case basis by the appropriate executive or designee, with sanctions up to or including termination or expulsion depending upon the severity of the offense.

INTERPRETATION

The Information Security Officer is responsible for official interpretation of this policy. Questions regarding the application of this policy should be directed to the Office of Information Technology. The Information Security Officer reserves the right to revise or eliminate this policy.

PUBLICATION

This policy shall be widely published and distributed to the University community. To ensure timely publication and distribution thereof, the Responsible Office will make every effort to:

1. Communicate the policy in writing, electronic or otherwise, to the University community within 14 days of approval;

2. Submit the policy for inclusion in the online Policy Library within 14 days of approval;
3. Post the policy on the appropriate SharePoint Site and/or Website; and

4. Educate and train all stakeholders and appropriate audiences on the policy’s content, as necessary. Failure to meet the publication requirements does not invalidate this policy.
