Understanding of Program Requirements

The Future Teacher Academy (FTA) Program is designed to increase the number of students passing state licensure examinations prior to applying for official entry into a teacher preparation program. Participants receive extensive instruction to prepare for the PRAXIS Math and/or VCLA examinations. The program pays the fees associated with taking these exams. Additionally, continued academic support along with test preparation materials and supplies are provided to ensure academic success for FTA Program completers.
Future Teacher Academy Spring Program Participant Contract

I, ____________________________________________________________, understand that if selected as a Future Teacher Academy (FTA) participant, I must be a declared Education Major. Also, as a program participant, I agree to complete all 4 workshop sessions: March 15, March 16, March 22 and March 23, 2019. I will attend all workshops from 4:00pm to 8:00pm each designated Friday: (March 15 and March 22) and 9:30am to 1:30pm each designated Saturday: (March 16 and March 23). Finally, participants in the FTA Program are expected to register for and complete the exam (Praxis Math) by April 31, 2019 and provide FTA with the notification of my scores.
