

CIA Info Session

January 26th, 2011

6:00 – 7:30 pm

New Student Center, Room 307

Come and learn about the intriguing co-op and full-time opportunities the CIA has to offer!

Recruiters from our Technical Hiring Division will be conducting an information session for NSU students focusing on technical careers.

We are particularly interested in students studying the following:
Electrical Engineering, Computer Engineering, Computer Science, and other technical areas

All applicants must be:

U.S. Citizens, willing to relocate to Northern Virginia/DC area, have at least a 3.0 GPA, and undergo an extensive Security check.
