Faculty/Staff Media Resource Guide

Norfolk State University Faculty Media Resource Guide

Welcome to the Norfolk State University Faculty/Staff Media Resource Expertise Guide! Norfolk State University aggressively seeks media opportunities that will showcase the university, its students, faculty, administrators, and other officials. This media resource guide is designed to provide reporters, community, and grass roots organizations access to Norfolk State University faculty who can offer expert analysis and background information on a wide variety of subject areas.

The experts highlighted in this guide because of their scientific or social research in their area of expertise, their experience in dealing with the media and speaking in the public forum. Norfolk State University's innovative programs, initiatives, and visionary outlook have attracted an international faculty of talented scholars and teachers.

Visit NSU's website at www.nsu.edu for more information. Posted on the website are current news releases, a calendar of events, upcoming conferences and much more.
