

Important Information:

We are awaiting your arrival on campus for **New Student Orientation**. Collectively, all entities of the University, including faculty, staff, and current students are working together to ensure that your stay at NSU is a rewarding and enriching experience. If you have not confirmed your attendance for one of the sessions, please RSVP online at www.nsu.edu/newstudentorientation at least one week prior to your orientation date.

As a part of **New Student Orientation**, you will be taking a computerized mathematics placement test. Calculators will not be allowed. Topics will include the following:

- Arithmetic Skills: Addition, subtraction, multiplication, and division of real numbers (including fractions, signed numbers, etc...), simplifying expressions by using order of operations.
- Algebraic Skills: Solving Equations (linear, quadratic, rational, and radical). Laws of exponents, factoring polynomials. Simplifying rational expressions, slopes, equation of lines, addition, subtraction, multiplication, and division of rational expressions.

If you have any questions prior to your arrival, please contact the New Student Orientation Office at 757-823-8673, or visit us online at www.nsu.edu/customercare and complete a Customer Care online inquiry form. A written response will be forwarded to your email address within 48 – 72 hours.

We look forward to seeing you. Behold the Green and Gold!

Sincerely,

Michelle Marable
Director of New Student Orientation
