**CONTACT(S)**

The Office of Human Resources officially interprets this policy. The Chief of Staff is responsible for obtaining approval for any revisions as required by BOV Policy # 01 (2014) *Creating and Maintaining Policies* through the appropriate governance structures. Questions regarding this policy should be directed to the Office of Human Resources.

**SERVICE RECOGNITION POLICY CONTENTS**

Norfolk State University has developed a program to recognize employees’ service. The program provides specific guidelines for the timing and nature of awards as administered by the Commonwealth of Virginia to include:
- Awards starting at five years and for each five year increment;
- Presentation of service awards at least annually; and
- An appropriate presentation ceremony.

The Presentation Ceremonies for the service awards include:
- A formal program held during work hours of reasonable duration and consistent with the University’s mission and business needs; and
- Reasonable expenses necessary for providing an appropriate event.

The calculation of state service includes all salaried employment worked at all agencies of the executive, legislative, and judicial branches of Virginia government. State service includes all periods of approved leave with and without pay.

The following are NOT INCLUDED in the calculation for service recognition:

- Non-working Long-Term Disability; and
- Wage employment as defined in Department of Human Resources Policy 2.20, Types of Employment.

Employees must pass the service milestone before receiving recognition award for that level of service; service time is not rounded up.

In accordance with Commonwealth of Virginia guidelines Norfolk State Human Resources Office will annually establish workable cutoff dates as needed in order to administer the program efficiently. (For example, employees may be required to reach the service milestones by October 31 to qualify to receive an award at a December ceremony.)

Service recognition award gift items are purchased by the Human Resources Office through contracts administered by the Department of General Services, Division of Purchases and Supply (DGS/DPS) Website ([http://dps.dgs.virginia.gov/dps/](http://dps.dgs.virginia.gov/dps/)). The information may also be located on the Department of Human
Resources Management website (www.dhrm.virginia.gov). Award items will be consistent in cost/value with the contract items for a given service level (five years, ten years, etc.

Norfolk State will maintain records as are needed to implement the service awards program.
