UNIVERSITY IDENTIFICATION BADGE AND CARD: POLICY CONTENTS

Purpose
The purpose of this policy is to provide an identification system that effectively and efficiently identifies Norfolk State University’s employees, students and contractors. Proper identification of individuals on University property provides a safe and secure campus environment for the University community.

Policy Statement
All adjunct faculty, faculty, staff, volunteers and contractors who represent Norfolk State University to the public are required to wear an identification badge while performing their duties. All students are required to have a valid identification card during their enrollment at the institution. The Spartan Card is the official University Identification.

I. Description
The Spartan Card is the University’s official identification for employees and students. It provides evidence of the individual’s employment, enrollment or affiliation with the University. The Spartan Card contains the card holder’s first name, middle initial and last name, a color photograph, the student’s identification number and/or the employee’s department, volunteer’s University affiliation, or the contractor’s company name. A validation sticker indicating the current semester of enrollment will be displayed on the front of the student’s Spartan Card.

II. Issuance and Replacement
The institution will issue a Spartan Card to any individual who provides proof of employment or student enrollment and a valid driver’s license or picture identification. Employees must provide proof of employment, Spartan Card Request Form approved by the supervisor and a valid driver’s license or picture identification to the Auxiliary Services Department to obtain a Spartan Card. Students must complete a Spartan Card Request Form and provide a financial clearance as proof of current enrollment and a valid driver’s license or picture identification to the Auxiliary Services Department to obtain a Spartan Card. Spartan Card Request Forms for students can be obtained at the Auxiliary Services Department or the Office of Student Services and Judicial Affairs.
Contractors must provide verification of their affiliation with the University from the Materiel Management Department and a valid driver’s license or picture identification to obtain a Spartan Card. A nominal fee will be charged to contractors for identification badges. The Human Resources Department will provide a copy of the University Identification Badge and Card Policy and the Spartan Card Request Form to employees during the New Employee Orientation Session.

The Division of Student Affairs will notify students of the requirement to obtain a Spartan Card. The Materiel Management Department will notify contractors of the requirement to obtain a Spartan Card. The Auxiliary Services Department will issue one identification card to individuals providing proof of current enrollment or employment and proof of identity with a valid driver’s license or picture identification.

The Auxiliary Services Department will issue the first Spartan Card without charge. A nominal fee will be charged for lost, stolen, damaged or replacement cards. Replacement cards are required when there is a change in employee status, department or name. The loss or theft of a Spartan Card must be reported immediately to the Campus Police Department. Unauthorized possession, use or reproduction of a Spartan Card by an employee or student may constitute theft or inappropriate use of Norfolk State University’s property and will be grounds for disciplinary action up to and including termination of employment or student judicial sanction.

III. Validation and Expiration
Spartan Cards for students must be validated for each semester of enrollment. Students are required to obtain a validation sticker each semester from the Auxiliary Services Department. Spartan Cards for employees will be valid for the duration of their employment. Employees are required to surrender their Spartan Cards to their immediate supervisor upon separation from the University.

Volunteers must surrender their Spartan Cards at such time as their reason for holding one ceases, or becomes so in frequent that to hold such identification becomes unnecessary from the University’s perspective. Contractors are required to surrender their Spartan Cards to the Director of Materiel Management or designee at the end of the contract period. Failure to surrender Spartan Cards may result in the withholding of any sums (salary, contract payments, etc.) that may be due to the employee or contractor. Supervisors and the Department of Materiel Management must notify the Auxiliary Services Department of employee and contractor separations from the University.

IV. Display
Employees are responsible for displaying their identification badge during work hours in an easily visible manner. Students are responsible for having the Spartan Card in their possession at all times and must present it upon request by any University official. Failure to comply with these requirements may result in employee disciplinary action, student judicial action or removal from University property.
