GENERAL PROVISIONS

The Administration, through its Enrollment Management Office, shall develop and implement processes for providing tuition relief and refunds, and for the reinstatement of students whose documented service in the uniformed services has required their sudden withdrawal or prolonged absence from enrollment at Norfolk State University.

All active duty military students who are unable to complete course requirements due to change in employment duties, work schedule or deployment to a duty assignment may be administratively withdrawn from current semester courses in accordance with Administrative Policy # 31-501 (2014) Military Tuition Relief, Refund, and Reinstatement. The University Registrar will maintain records of administrative withdrawals completed under this policy and Administrative Policy # 31-501 (2014) Military Tuition Relief, Refund, and Reinstatement.

All administrative policies shall incorporate the provisions articulated herein, which are effective immediately. Nothing in this policy shall be interpreted to prohibit Norfolk State University from denying reinstatement to a student for causes or actions unrelated to the student’s military service in accordance with applicable University policies and procedures governing students and student conduct.
In accordance with SCHEV Guidelines (2010), the following provisions, at a minimum, must be described in sufficient detail and publicized by the Responsible Office:

A. **Tuition and Required Fees.** A description of the circumstances under which a student shall be entitled to receive a partial or full refund of the tuition and required fees that have been billed or paid for the term in which the student is forced to withdraw, including the factors that determine the amount of a refund.

B. **Room and Board.** A description of the circumstances under which the student is entitled to a full or partial refund for fees paid to the institution for room and board.

C. **Deposits.** A description of the circumstances under which deposits will be refunded and/or credited to the student.

D. **Academic Credit.** A description of a student’s options concerning grades assigned for the semester in which the student is forced to withdraw due to service in the uniformed services. This includes providing reasonable time for a student to eliminate any “pending” grades (i.e., “incomplete,” or “in progress” grades which indicate academic work remains to be completed in a given course).

E. **Reinstatement**
   1. **General Provision:** A description of the circumstances under which a student shall be entitled to reinstatement in the institution following the student’s release or return from service in the uniformed services, which shall provide that a student is entitled to reinstatement without having to re-qualify for admission if the student:
      i. Returns to the same institution after a cumulative absence of not more than five years, and
      ii. Provides notice of intent to return to the institution not later than three years after the completion of the period of service.

   Administrative policies should defer to the provisions of the Higher Education Opportunity Act, 20 U.S.C. § 1088 et seq. for application of relevant exceptions to these time periods.

   2. **Reinstatement into Specific Program of Study:** A description of the circumstances under which a student may be reinstated in the same program of study in which he or she had been enrolled prior to withdrawal. The policy shall provide for counseling for the student to determine the impact of absence from the program on the ability to resume study and to advise the student of his or her options when a program is no longer available or suitable.

   3. **Deferral of Enrollment:** A description of the circumstances under which a student who was admitted to a program but did not begin attendance because of service in the uniformed services may be allowed to defer his or her enrollment in the program.
F. **Documentation.** A description of the types of documentation the student must submit to preserve his or her prerogatives under the policy and relevant deadlines for submission of such documentation.

**PUBLICATION**

This policy shall be widely published or distributed to the University community. To ensure timely publication and distribution thereof, the Responsible Executive will make every effort to:
