# The Suite Life

“A newsletter dedicated to the Spartan Suites Community”

Volume 1, Issue 2

April 2009

## April Showers, Spring Flowers!!!

“Clean Up, Clean Up, Everybody Everywhere...Clean Up, Clean Up, Everybody Do Your Share.”

The month of April marks “Spring Cleaning.” For college students, the summer begins in May and the summer encompasses several fun activities; however, cleaning is not always on the list.

In order to maintain the “Suite Life,” cleaning and maintaining your community is important.

April is the perfect month to begin a perfectly clean summer.

### 5 Signs That It is Time For Spring Cleaning

- When you can smell your trash before you walk into your apartment.
- When you cannot remember the original color of your tub.
- When people can look at your carpet and know what you ate last week.
- When people no longer visit you.
- When your day is not complete without another letter from management.
