

## Licensure Disclosure: Master of Social Work

The Social Work programs at Norfolk State University are accredited by the Council on Social Work Education (CSWE). Each licensing authority sets and enforces its own professional licensing requirements and standards. Students should inquire directly to the licensing authority in the jurisdiction where the student plans to seek licensure to determine the mandatory requirements to be licensed to practice. Contact information for each state's licensing agency is listed below. Also listed below are the states where the University has determined that completion of the Master of Social Work degree program meets or does not meet the educational requirements for licensure or certification.
