

Directions for Asymptomatic Student Testing

- This is not testing for people with symptoms. If you have symptoms, you should quarantine/isolate immediately. You should consult with your local physician or call the Spartan Health Center Annex at 757-278-4129.
- All surveillance testing will be held in Spartan Station.

If you have previously registered with mywconline you can click on the link and just log in using the password you created before. **There are multiple schedules available. Make sure you use the schedule that corresponds STUDENT SURVEILLANCE TESTING.**

If you have not registered before follow these directions closely.

STEPS to register for the test are as follows:

- Click on the following link: <https://norfolk.mywconline.com>
- Click on Register for an account above the login field, if an account has not already been established.
- Enter your NSU email (only NSU emails will be accepted), First and Last Name, Student, or Employee ID and a Phone Number.
- Enter in a password of at least 10 characters.
- Set email preferences if desired.
- Hit the complete registration button, which will take you back to the login page.
- Enter your NSU email address and the password you set up during registration.
- Select the “Student Surveillance Testing” schedule and schedule an open testing date and time based on available time slots.
- Select the create appointment button.
- Select the close window button.
- Logout.
