

ASPA Research Symposium 2026

Building a Bridge to Renewal and Resilience

The Hampton Roads Chapter of the American Society for Public Administration (HR-ASPA), in partnership with the Political Science Department at Norfolk State University, proudly presents the **2026 Annual Research Symposium**.

This year's symposium explores how public administrators, scholars, and community leaders can strengthen democratic institutions, foster cross-sector collaboration, and build resilient public systems in challenging times.

Topics Include

- Managing Public Service Programs in Challenging Times
- Equity and Resilience
- Public/Private Partnerships
- Citizen Engagement
- Democracy & the U.S. Constitution
