CROSS-REGISTRATION/CONSORTIUM
Students at Norfolk State University have an option to enhance their academic experience through study at Old Dominion University, Christopher Newport University, Hampton University, Paul D. Camp Community College, Regent University, all campuses of Tidewater Community College, Thomas Nelson Community College and Virginia Wesleyan University. A reciprocal arrangement exists for students who are enrolled at these institutions. All registration and schedule changes must be accomplished at the home school and require approval and completion of the Tidewater Consortium Student Cross-Registration Form. Norfolk State University students must follow the procedures indicated:

1. Students must have a 2.00 cumulative grade point average and be degree-seeking. First-semester NSU students cannot participate.

2. Approval and signature of the appropriate advisor or department head must be secured and so designated on the Cross-Registration/Consortium Form. Forms may be obtained from the student’s academic department or the Registrar’s Office.

3. All courses must be listed on the Cross-Registration/Consortium Form and presented to the Office of the Registrar for processing during NSU’s Registration period. Developmental courses may not be taken through the consortium.

4. It is the student’s responsibility to deliver all forms to the Office of the Registrar at the host institution and to return the signed form to NSU’s Office of the Registrar. If the course is dropped or cancelled, it is the student’s responsibility to inform his or her home institution.

5. Must take at least one credit hour here at NSU during fall and spring semesters.

6. Cross Registration is limited to 30 semester hours.
Undergraduate Non Degree option at https://secure.vzcollegeapp.com/riu/. Financial aid is not available for non-degree students except for those seeking teacher certification.

Returning non-degree seeking students are not required to complete another application.

All non-degree seeking students are required to meet with the department chair for each course in which they would like to register. Students seeking to complete any course online are to seek advisement with the respective academic department regarding any course enrollment. The academic department will complete the Course Registration Worksheet and forward to the student to obtain the student’s signature. The student will return the signed worksheet to the advisor for processing.

Non-degree seeking students who desire to pursue a degree must complete an Undergraduate Application for Admission. The University requires that a student apply for a degree program after completing 29 semester hours.

COURSE AUDIT
The last day to declare an audit status for a course is August 28 (Fall), January 15 (Spring), May 20 (Summer Term A) and July 1 (Summer Term B). When auditing a course, you must have the permission of the instructor and notate on the Course Registration Worksheet (CRW) a code of “AU” in the credit hours section.

An audited course is counted as a part of a student’s total class load, and he or she must pay tuition the same as if receiving credit. Changing from audit to credit or from credit to audit is permitted only during the scheduled “Add” period. Audited courses may be dropped during the scheduled “Drop” period. Financial aid does not cover charges associated with classes that are audited.

PAYMENT OF TUITION AND FEES
All students are expected to pay prior balances in full and to satisfy current tuition, fees, room and meal costs prior to class cancellation dates posted unless payment arrangements are made and/or students have been awarded financial aid and other scholarships sufficient to cover the cost. Please note, payment plans are not available for summer terms.

Students who do not pay balances in full or make satisfactory payment arrangements (payment plans are not available for summer terms) by the dates below will have their classes cancelled. Once classes have been cancelled, students must re-register during the drop/add period. There is no guarantee the same classes will be available if re-registration is necessary.

Tuition and Fee due dates as well as class cancellation dates may be found on page 5 of this booklet. Emails will be sent to students' official email addresses notifying them of the pending class cancellation process if financial obligations to the University have not been met.

The last day to register, reinstate classes and make payment arrangements will be

Fall 2020:  Friday, August 28, 2020
Spring 2021:  Friday, January 15, 2021
Summer 2021:  Thursday, May 20, 2021 (Term A)
             Thursday, July 1, 2021 (Term B)

Generally, students with unpaid prior balances will not be permitted to register for any upcoming semesters.

Non-University scholarships are not credited toward tuition, fees, and room and board charges until funds are received; however, these awards may be counted as expected financial aid when establishing a payment plan and included in the total amount of aid that will be used toward payment of University expenses. Payment plans are not available for summer terms. A copy of scholarship notifications should be sent to the Financial Aid Office.

Students that register or re-register during late registration will be charged a late registration fee of $100.00. Books and supplies are not included in the cost of tuition and fees, and students should be prepared for this expense. The average cost for new textbooks are $600 to $800 per semester. The University bookstore offers a textbook rental program. Textbooks and supplies may be purchased in the University Bookstore, which is located in the New Student Center.

SPARTECARD AUTHORIZATION: Students expecting a financial aid refund may authorize funds on their SpartanCard for on campus use. The authorization may be completed online at https://www.nsu.edu/mynsu. Full-time students may authorize up to $1,000 per semester and part-time students enrolled for at least 6 hours may authorize up to $600 per semester. Commuter students enrolled for at least 6 hours may also authorize commuter meal plans on their SpartanCard via MyNSU at https://www.nsu.edu/mynsu.

Students should be prepared to pay the cost of books unless they are eligible to receive a SpartanCard authorization by the first week of classes.

The University offers several options for paying tuition, fees, room and meal costs.

OPTION 1 - Pay balances at the Cashier’s Office (Cash, personal check, money order, VISA, MasterCard, Discover Card, American Express or SpartanCard), via MyNSU at https://www.nsu.edu/mynsu, or call the Cashier’s Office at 757-823-8545 (VISA, MasterCard, American Express or Discover Card). Apply for financial aid dollars early. The Free Application for Federal Student Aid (FAFSA) can be completed online at www.fafsa.ed.gov. Processing may take up to six weeks. Anticipated aid cannot be applied to a balance.
OPTION 3 - Pay monthly through a TuitionPay monthly payment plan. Please note: payment plans are not available for summer terms. A processing fee will be charged by TuitionPay. Benefits of this plan include:

- No burden of a full lump sum payment if started early
- Manageable, interest-free installment payments
- Reduced need to borrow
- Tuition insurance at no extra cost
- Plan combined with financial aid

To enroll in the TuitionPay Plan visit the TuitionPay website at https://commerce.cashnet.com/paymentportal and select Norfolk State University from the drop down by 3:00 p.m. on Friday, August 16, 2019.

ADDITIONAL OPTIONS - Special payment arrangements can be made for student’s receiving tuition and fee assistance from non-University sources (third party sponsorships and scholarships). In such cases, the outside agency must make the payment directly to Norfolk State University within 30 days of the billing date.

In order to receive the special arrangements, the student must bring or send a letter of authorization from the granting agency to Student Accounts Office, Student Services Center, Second Floor, prior to or at the time of registration.

DELINQUENT ACCOUNTS
Delinquent accounts are referred to collection agencies and to the Attorney General’s Office for non-payment and reported to the Credit Bureau. Collection fees and other related costs will be charged to the student. Additionally, grades, diplomas, transcripts, certifications, and non-mandatory verifications will be withheld. None of the penalties applied will relieve the student of financial obligations to the University.

Students must clear delinquent accounts from a previous semester before permission is given to them to register for the current semester.

REFUNDS
The refund process will begin after the third full week of classes for each semester. Fall 2020 refunds will begin after September 13, 2019; Spring 2021 refunds will begin after January 31, 2020; and Summer refunds will begin after June 5, 2020. Please sign up for direct deposit through MyNSU to expedite future refunds. Notifications will be sent to students via their NSU e-mail accounts once refunds have been processed.

All students may enroll in the Direct Deposit program for student refunds at https://www.nsu.edu/mynsu/. Students who do not have an active bank account may open a free student checking account online with Bank of America at http://www.bankofamerica.com/studentbanking and select Campus Edge checking option. Features and benefits of this checking account can also be found at the above site.

FINANCIAL AID
Norfolk State University offers scholarships, grants, loans and employment opportunities to assist students in paying for their education. Applicants who desire to receive financial aid must be admitted to the University as matriculating (degree-seeking) students and must complete the Free Application for Federal Student Aid (FAFSA) annually. Students who apply as Non-Degree Undergraduate or Non-Degree Graduate are not eligible for financial aid, except those seeking Teacher Certification.

Norfolk State University is required by federal regulations to adhere to minimum standards of Satisfactory Academic Progress (SAP) that relate to a student’s eligibility for federally funded financial aid programs, state and institutional grants, scholarships, employment, and loan programs.

SATISFACTORY ACADEMIC PROGRESS POLICY FOR FINANCIAL AID
All undergraduate and graduate students must meet Satisfactory Academic Progress (SAP) requirements to receive financial aid at Norfolk State University. Federal regulations (CFR 668.34) require institutions of higher education to establish, publish and regularly apply standards of Satisfactory Academic Progress (SAP) for financial aid eligibility. The university measures your academic performance based on three standards; grade point average (GPA), pace and maximum time frame.

EVALUATION PROCESS
Each aid recipient’s record will be evaluated at the end of each semester to determine if the student is meeting the progress described below. If the student has reached the maximum number of credits without earning a degree, the student must be excluded from further participation in
federal and state financial aid programs. In addition, if the student has reached or exceeded 150% in total attempted credit hours for their degree program without earning a degree, the student must be excluded from further participation in federal and state financial aid programs.

Pace:
You must earn credit for at least 67% of the hours you attempt. This calculation is performed by dividing the number of credit hours earned by the number of credit hours attempted.

Grade Point Average:
The minimum GPA requirement is based on the number of credit hours attempted. GPA standards mirror the university’s academic suspension policy. (see table below)

Maximum Time:
You may not receive financial aid for more than 150% (the equivalent of 180) credit hours attempted. If your program requires more than 120 hours and you have reached the maximum time limit, please submit an appeal for review.

FAILURE TO MEET MINIMUM SAP REQUIREMENTS
Any student who fails to meet minimum SAP requirements will be placed on warning. If a student is placed on warning, he or she does not need to appeal, because financial aid eligibility has not been revoked. If, at the end of the warning period the student does not meet the minimum requirements for SAP, all aid will be suspended for the following semester. As long as a student is meeting all requirements of the Satisfactory Academic Progress Policy, they are considered in "good standing" for financial aid.

REQUESTING REINSTATAMENT OF AID (APPEAL)
Financial Aid may be reinstated on probation or academic plan status by an approved appeal. A student who has had his/her financial aid eligibility terminated has the right to make a written appeal if extenuating circumstances exist and can be documented OR if the student met all minimum enrollment and GPA requirements while on warning/probation/academic plan. If aid is not reinstated, suspension from aid will remain in effect.

SUBMITTING AN APPEAL
Students who wish to appeal the determination that satisfactory academic progress has not been maintained, may do so by submitting an appeal form, a personal statement, supporting documentation and the approved academic improvement plan to the Office of Student Financial Aid by the specific deadline date of each semester.

A completed Financial Aid SAP Appeal may be submitted in the following ways:

In Person:

Student Services Center, Suite 211

Via Fax:
757-823-9059
Please include the student's name and ID number on all documents.

NSU encourages all undergraduates to enroll in 15 credit hours per semester to support timely graduation. Financial aid is awarded based on a projected full-time enrollment status for each term. Financial aid may be adjusted or cancelled if enrolled less than full-time. If enrolled less than half-time, only undergraduate students with Pell eligibility may be considered for assistance.

NOTICE
Financial Aid does not cover charges associated with classes that are continuous registration or audited at the University.

Federal regulations limit eligibility for Title IV federal aid due to repeated courses. Students may only receive Title IV federal aid for the first retake of a previously passed course. In addition, any subsequent retakes (after the first retake) of a previously passed course will
not count towards the student’s actual enrollment for Title IV funding purposes. Adjustments may also be made to an award package if additional aid is received which affects overall financial aid eligibility.

PELL GRANT RECALCULATION POLICY
Federal Pell Grant is awarded based upon the results from completion of the Free Application for Federal Student Aid (FAFSA). The purpose of this section is guidance for recalculating of Federal Pell Grant based upon the enrollment status of undergraduate students.

How Enrollment Impacts Financial Aid
Norfolk State University’s Financial Aid Office initially awards financial aid to undergraduate students based upon the assumption that students may enroll full-time (12 credit hours or more) for both fall and spring semesters. Below is a chart for calculating Federal Pell Grant based upon enrollment statuses:

<table>
<thead>
<tr>
<th>Award</th>
<th>Full Time</th>
<th>Three – Quarter</th>
<th>Half – Time</th>
<th>Less Than Half</th>
</tr>
</thead>
<tbody>
<tr>
<td>Federal Pell Grant</td>
<td>100% of the scheduled award</td>
<td>75% of the scheduled award</td>
<td>50% of the scheduled award</td>
<td>25% of the scheduled award</td>
</tr>
</tbody>
</table>

A scheduled Pell Grant eligibility is based on the Expected Family Contribution (EFC) as calculated by the U.S. Department of Education from information obtained from the Free Application for Federal Student Aid (FAFSA).

Students may be eligible for only a partial award based upon their Pell Grant Lifetime Eligibility Used (PELL LEU).

Students who drop or withdraw from classes which results in a causes a change in his/her enrollment status is subjected to the Pell Recalculation Policy.

Pell Recalculation Policy
Pell recalculation refers to the process in which Pell Grant eligible students with enrollment changes during the semester may have Pell adjusted to reflect their current enrollment.

The Pell Grant Recalculation Date depends upon a student’s enrollment. The table below reflects the dates in which Pell may be recalculated.

Refunds and Financial Aid Recalculations
Students who receive a refund from Norfolk State University and subsequently there is a change in the enrollment status may be required to repay all or a portion of the refund in addition to charges incurred as a result of recalculating financial aid eligibility.

The insurance rates included below are based on the current rates charged to international students. The policy renewals are not discussed until June/July of each year as the policy has an expiration date of July 31.

FINANCIAL AID WITHDRAWAL POLICY
Any student who wishes to withdraw from the University must submit an Application for Withdrawal which may be obtained from the Office of the Registrar or his/her academic department/advisor. The financial aid office is responsible for processing of both official and unofficial withdrawals. Students who fail to complete the Office Application for Withdrawal from the University and who receive all F grades at the 10th week advisory grading and final grading periods are considered unofficial withdrawals. Financial aid will notify, in writing, student receiving all F grades. Failure to respond to any correspondences will result in processing an ‘unofficial withdrawal’.

FEDERAL RETURN OF TITLE IV REFUND POLICY
Official withdrawal refunds on all allowable charges including tuition and fees will be prorated on a per diem basis based on the number of days in attendance as a proportion to the number of days in the term or period or enrollment, up to the 60% point in the semester. There are not refunds after the 60% point in time as the federal regulations view the aid has been 100% earned” after that point in time. A copy of the calculation and examples can be requested from the Office of Student Financial aid.

The Return to Title IV Refund Policy is based on the federal mandate that student earn federal financial aid eligibility in proportion to the amount of time the student was enrolled. The earned portion of a student’s federal financial aid will be disbursed to the student account to assist in paying Institutional related expenses. The unearned portion will be refunded and/or returned to the U.S. Department of Education Title IV Programs.

OFF-CAMPUS COURSES (Modular Term)

For all off-campus classes, a student must process an official Drop Form before the course has met the second scheduled time in order to receive a complete refund. After a class has met for the second time, a student may withdraw from the class, but will not be eligible for any refund.

ROOM CHARGES

Room Charges are refundable to on-campus students only if they official withdraw prior to the 1st day of class. Special allowances will be made for student’s withdrawing during the first five days of the semester.

BOARD CHARGES

Board Charges are set on a “per day” basis at the beginning of each academic year. This amount is multiplied by the number of days the student is actually enrolled to determine the cost that a student will be charged meals.

STUDENT FINANCIAL AID

When it comes to paying for college, you’re not alone. Grants, work-study, and low interest loans help make college affordable. Grants are financial aid that doesn’t have to be repaid (unless, for example, you withdraw from school and owe a refund). Loans are borrowed funds for college; you must repay your loans, with interest. Work-study is a work program through which you earn money to help you pay for school. Federal student aid covers such expenses as tuition and fees, room and board, books, supplies and transportation. Norfolk State University’s student financial aid programs are administered in conjunction with Federal and State regulations and the Philosophy of Awarding Financial Aid for Higher Education. Student Financial Aid programs act as a bridge to closing the gap between student and parent resources and college related expenses.

TITLE IV FINANCIAL AID PROGRAMS

Federal Pell Grant (PELL)
Federal Supplemental Educational Opportunity Grant (SEOG)
Federal Direct Subsidized Loan – Undergraduate students only
Federal Direct Unsubsidized Loan

NON-TITLE IV PROGRAMS

The Financial Aid office is responsible for calculating the percentage earned by student for Virginia and other state aid programs as deemed required by the funding agencies (i.e. SCHEV, DC etc.) as well as any institutional funds.

The University has an Application to Withdrawal that can be obtained from the students’ academic department or advisor. All students are required to complete the Application for Withdrawal at the point he/she decides to cease enrollment. Unofficial withdrawal from the University will result in the student being assessed full charges for the enrollment period (semester).

EXIT COUNSELING

The Financial Aid Office is responsible for ensuring that all students who officially or unofficial withdrawal, leave the University and/or graduate are sent Exit Counseling information. The U.S. Department provides online exit counseling via www.studentloans.gov. The Financial Aid Office ensures exit counseling letters are mailed to students and a copy is maintained in the student’s record.

INTERNATIONAL STUDENT SERVICES

As required by law, all international students on F-1 visa must visit the Office of Accessibility Services and International Services (O.A.S.I.S) with their visa documents prior to initial registration. Additionally, F-1 students must enroll on a full-time basis every semester to retain proper visa status.

All F-1 students are required to be covered by health insurance that meets specific criteria and provides certain benefits, including medical evacuation and repatriation of remains. These students will be automatically enrolled for both the accident and sickness benefit’s portions of the Student Accident and Insurance Plan. A premium of $1,934.40 or more will be assessed to international students in two equal installments each semester. These rates are subject to change pending annual updates not available at the time of this publication. For more information about this health insurance requirement, contact the Office of Accessibility Services and International Services at 757-823-8325. The office is located in the James A. Bowser Building, Suite 121.

EMPLOYEE EDUCATION BENEFIT PROGRAM (TUITION WAIVER)

The University will provide, to all eligible employees, tuition waiver benefits for up to 6 credit hours per semester of registered Norfolk State University instruction. Employees are responsible for all mandatory and non-mandatory fees. The maximum credit hours per employee will be one half of the required course credits for graduation not to exceed 60 credits for undergraduate and 18 for graduate. The employee
tuition waiver is not available during the summer sessions.

Employees are expected to work a 40 hour week. If the 40 hour requirement is not met due to class attendance; the employee is required to submit the appropriate leave request to the supervisor.

Employees may obtain Tuition Waiver forms from the Human Resources Office. The employee must bring the completed tuition waiver and course registration worksheet to the Registrar’s Office for processing.

You can enroll in an online course or an online program by following the eight steps listed below.

Online courses are open to all students. Online courses have a section designator beginning with the number “9.” For example, an online English course is ENG 101.90.

**Online Learning Readiness Questionnaire.** Before enrolling in an online course, you should first assess your readiness for stepping into the online learning environment. Your answers to the following questions will help you determine what you need to do to succeed at online learning. Post-survey feedback will also provide you with information on what you can expect from an online course.

**Step 1: Secure funds for your education.**
- Learn about available scholarships, financing your education, paying your tuition, and taking advantage of various payment options, by visiting the Financial Aid website.
- Complete your free application for Federal Student Aid (FAFSA) as soon as possible at www.fafsa.ed.gov. Pay special attention to the priority deadlines.

**Step 2: Apply for admission.**
- Visit the Office of Admissions website.
- Review the undergraduate or graduate admissions requirements. International students should visit the International Student Services website.
- Apply online at http://www.nsu.edu/Admissions-Aid/Apply-Online
- For undergraduate admissions information, call toll free 800-274-1821 or email admissions@nsu.edu. For graduate admissions information, call 757-823-8015 or email lcarpenter@nsu.edu.

**Step 3: Confirm your intent to enroll.**
- Complete and return the enrollment response form. Without this confirmation, you are unable to register for any courses. After receipt of this form, you will be given information about how to access your MyNSU account. Students use MyNSU to manage their student accounts and register for classes.
- Review the MyNSU Guide for detailed information about the campus portal.

**Step 4: Activate your MyNSU account.**
MyNSU, the University’s educational portal system, provides access to your NSU e-mail account, Office 365, and Blackboard Learn. Setting up your account is quick and easy.

- Get your username, temporary password, and email address as a first-time student.
- Go to the MyNSU login. When prompted enter your user name (for example: b.l.brown) and password then click the Sign In button. Your MyNSU ID and password are the same as your username and password for other campus network computer resources. In order to access MyNSU you need a computer with Internet access and one of the following supported desktop and/or mobile web browsers.
Step 5: Register for Classes

Log-in to MyNSU. Currently enrolled students are able to register for classes online using Spartan Self Service in the MyNSU portal and clicking the Register/Drop Classes option. Prospective students should use the Search for Classes option to see what classes are available. This listing is updated every 24 hours.

The results screen provides the term, status, section name and title, location, meeting information, faculty, available/capacity, credits, CEUs, and academic level for the section criteria selected. The Status field specifies if the course is open or closed for enrollment based on the Available/Capacity numbers.

Web online courses are designated as Section 90 and above. The following section designators identify the course location and or type.

- 45 Blended/Online (face-to-face with an online component)
- 51 Evening
- 77 Video Conferencing
- 81/82 Military Installation
- 85 Virginia Beach Higher Education Center

Save time – Use e-Advising on MyNSU. Online students, Graduate students and those Undergraduate students with a 3.00 GPA or higher can register online. Check your EVAL and course plans to stay on track. Your academic advisor will review your educational plan for any courses added and requiring approval. Students should make every effort to ensure they are prepared to take an online course.

- Select “Plan Courses” then the Course Planning Wizard to select your coursework for the designated term.
- Use the tools provided to email your academic advisor your completed course planning guide.
Secure academic advisor approval to signify the desired online course satisfies your selected curriculum.

**Step 6: Pay Your Tuition and Fees**

- Pay your tuition and fees. There are various payment options. Regardless of the option chosen, make certain payment or satisfactory arrangements are made by the scheduled class cancellation dates published for each term.
- Log-in to MyNSU, click the Spartan Self-Service Student Menu.
- Select “Make a Payment.”
- Choose “Pay for registration.”

**Step 7: Order Your Course Materials**

- Access the Norfolk State University Bookstore website to get a list of required course materials.
Step 8: Begin Your Online Learning Experience

The Blackboard Learning Management System can be accessed using most web browsers. However, it is very important that your web browser is configured correctly. Additionally, your course may require the use of course contents from publishers or an online proctoring tool.

- **Run the Blackboard Browser Checker** to see if your browser is supported.
- **Add the specific publisher’s website to the browser security trusted sites.**
- **Disable any popup blockers** as required by publisher or software company.

A best practice is to delete cookies and browser history at least once per month. Please close all applications in your computer, start the browser, use the CTRL+SHIFT+DELETE keys to delete or clear the cookies and the browser history.

Please ensure you can satisfy computer hardware and software system requirements prior to enrolling in an online course. Without adequate Internet service or the proper computer hardware and software, you will experience difficulty in completing the assignments required of the online course. For the best online learning experience, you will need:

- Windows 7 or Mac OS X 10.6 or later
- At least 512 MB RAM
- Broadband Internet Connection (1.5 Mbps required, 3.0 Mbps recommended)
- Adobe Flash 10.1 or later
- Latest version of Java
- User privileges to install software for required software installations
- Microphone and webcam (headphones with microphone recommended) for courses that require online meetings with audio and/or video participation and for online proctoring.

**NOTE:** While mobile devices, especially smartphones, are convenient and may be utilized for some course functions, they cannot be the primary device for completing your online course work.

[Log in to MyNSU](#), then choose the Blackboard icon to access your courses.

Your registered courses that have been made available by your professor will show under the My Courses module. Some may require synchronous meetings using a webcam. Detailed technology requirements, proctoring and testing procedures, and assignment submission instructions will be delineated on your course syllabus.

If you are a first-time freshman or new to Blackboard, it is required you take the Blackboard BB-101 Orientation Course. In addition, there will be Blackboard Orientation Sessions during the first week of fall and spring semesters. Please check the announcements in Blackboard and/or the Campus Announcement eDaily for specific dates and times.
