POSTHUMOUS RECOGNITION: POLICY CONTENTS

Degrees or certificates may be awarded to an immediate family member of a student who dies or is near death due to illness or accident while progressing satisfactorily toward the completion of a degree program at Norfolk State University.

Procedures

I. Criteria

Upon a request by the student’s immediate family or the student’s major department and within one year following the death of a student who has been enrolled in a program of study at NSU, the university may award a posthumous degree or certificate of attendance if:

2. If the dean concurs with the recommendation, he or she forwards the recommendation in writing along with supporting documentation (academic audit, proof of death, etc.) to the Office of the Vice President for Academic Affairs.

3. The Office of the Vice President for Academic Affairs will transmit the file to the Office of the Registrar for review.

   a. A degree will be recommended if the student:

recognition is made to the University President by the Vice President of Academic Affairs.

1. If a certificate of attendance will be presented this information is also sent to the Chair of the Commencement Committee for inclusion in the Commencement Program.
