

# Conference Opportunities for Cohort #2

## College Arts Association Annual Association

- February 14th- 17th, 2024
- Chicago, Illinois
- The CAA Annual Conference is the largest professional convening of art historians, artists, designers, curators, and visual art professionals

## 2024 AAAS Annual Meeting

- Denver Colorado,
- February 15-17, 2024
- The Annual Meeting theme, *Toward Science Without Walls*, will explore the consequences of barriers that currently fragment our community, separating us by discipline, approach, institution, nation, access, wealth, seniority, race, and gender. We will consider solutions, and envision a seamless ecosystem that would drive more innovative, equitable, rapid, open science and technology.

## American Society for Biochemistry and Molecular Biology

- March 23-26, 2024
- With a mission to share the latest, most impactful research findings in the molecular life sciences, #DiscoverBMB offers an exciting agenda that includes talks by the field's foremost experts, interactive workshops on the latest trends, technologies and techniques, and an invigorating exhibition of posters, services and products.

## National Conference on Undergraduate Research

- April 8-10, 2024
- Long Beach, CA
- The National Conference on Undergraduate Research (NCUR) is dedicated to promoting undergraduate research, scholarship and creative activity in all fields of study by sponsoring an annual conference for students. Unlike meetings of academic professional organizations, this gathering of student scholars welcomes presenters from all institutions of higher learning and from all disciplines. Overall, this conference offers a unique environment for the celebration and promotion of undergraduate student achievement; provides models of exemplary research, scholarship, and creative activity; and offers student career readiness development.

## Innovations in Undergraduate and Graduate Business Education

- October 23-25, 2023

## Los Angeles Annual Business Research Conference

- Dates: January 11- January 12, 2024
- Paper Submission Deadline October 20<sup>th</sup>
- LOS ANGELES ANNUAL BUSINESS RESEARCH CONFERENCE is an Annual Global Networking Event, organized by Australian Academy of Business Research (AABR).

- The aim of the conference is to provide an opportunity to academics and practitioners around the world to discuss and share the contemporary issues of business and social science research.
- 

### **Emerging Researchers National (ERN) Conference in Science, Technology, Engineering and Mathematics (STEM)**

- Washington, D.C.
- March 14-16th, 2024.
- The objectives of the conference are to help undergraduate and graduate students to enhance their science communication skills and to better understand how to prepare for science careers in a global workforce. Towards this end, the general format for the 2-1/2 day conference will include:
- Student poster and oral presentations.
- Other conference activities include workshops focused on:
  - Strategies for applying for and succeeding in graduate programs and finding funding for graduate school;
  - Career preparation workshops focused on employment searches and retention; and
  - Understanding STEM careers in a global context and identifying international research and education opportunities for undergraduate and graduate students and faculty.
- Exhibitors will include representatives from academic, government, business, and the non-profit sector with information about graduate school admissions, fellowships, summer research opportunities, professional development activities, and employment opportunities. Exhibitor registration opened on August 28th, 2023 and will close at midnight (PST) on Dec. 15, 2023.
