Office of Institutional Research

# Dear NSU Faculty, Staff, and Stakeholders:

To users of the NSU Factbook:

Welcome to the Norfolk State University Fact Book, covering the years 2020-2024. This document provides key data to foster a comprehensive understanding of our students, faculty, and programs.

The Factbook addresses the most frequently asked questions received by the Office of Institutional Research. This comprehensive resource distills complex data on student enrollment, demographics, graduation rates, and other key metrics into a concise, easy-to-digest format – empowering our community to quickly grasp the trends, metrics, and stories that define our university. Please note that the 2024 data included is preliminary (updates with official 2024 data will be published in November).

Our goal is to provide you with a valuable resource that supports informed decision-making and promotes a better understanding of Norfolk State University's growth and development over this period. Stay tuned for new data products as we strive to better serve the Spartan community.

Please don't hesitate to reach out to the Office of Institutional Research if you have any questions or need further assistance.

Behold the Green and Gold!
