

Senior Class Grad Cap

Celebrating the

100th

Commencement

Name:

Student ID:

NSU Email:

The Process:

Deadline #1 Mock-up design form: March 31:

Students must submit 3 copies using the mock-up form of a photo or drawing of their desired cap design. The senior class cabinet will pre-approve (stamp, sign, and date) and then the Provost will approve. After March 31 students can no longer submit designs. Students who miss the deadline CANNOT participate in cap decorating.

Deadline #2 April 20 and "Cap It Off Event":

Students must decorate their actual caps exactly like their mock-up design. They must bring both their copy of the design and their actual cap to get approved. Once their cap has been approved they are not allowed to add anything else (inappropriate items). April 20 is the "Cap It Off," event for all Seniors to celebrate and decorate. At the event, cap decorating materials will be provided, along with food and a DJ.

Criteria:

- Seniors **must** get their graduation cap décor approved at the **FIRST and SECOND** deadlines in order to participate with cap decorations for the 100th Commencement.
- All décor is limited to two dimensions.
- Words, quotes, symbols, and any additional décor must be appropriate (if not, students will not be allowed to decorate their caps).
- No profanity or inappropriate images.
- Once their cap has been approved (for the 1st and 2nd deadlines); Seniors will **not** be allowed to add any additional words, symbols or décor.

Seniors will be contacted to pick up the official stamped copy once their grad cap design has been approved.

SUBMIT THIS FORM TO: 3rd Floor Student Center (Operating Hours 8am-10pm)
