Dear Spartan,

My team and I are excited that you have chosen to make your home with us and we hope your on-campus residential experience will be an enriching part of your educational journey at NSU. You are an integral part of our residential community and our goal is to create a residential environment conducive to academic, social, cultural, and personal growth through co-curricular experiences, programs and activities, which extend learning beyond the classroom. You and your neighbors will define your community and we need your active involvement to make it the positive, rewarding experience that will create life-long friendships, awesome memories, study partners, and Ideal Spartans.

This Handbook is a resource for you to use over the next few months. It is designed to assist you with understanding the responsibilities of living on campus and it will also acquaint you with the benefits, necessary policies and guidelines regarding student housing. Please read through this entire Handbook; it is part of your University Housing Terms and Conditions and you will be responsible for understanding and adhering to its contents.

Finally, I firmly believe the most important decision a student makes after selecting their college choice is where they are going to live. We do not take your decision to make our home your home lightly. It is our pleasure to welcome you to our residential community and to an exciting new year. We hope you will take full advantage of the many opportunities afforded to you at NSU. There are more than 200 student clubs and organizations where you can explore your interests and get actively involved. Please take full advantage of the programs and services available to you as a residential student at NSU. Have a great year. BEHOLD!

With Spartan Pride,

Re Necia Thornton
Interim Director, Housing and Residence Life

MISSION

The Office of Housing and Residence Life is committed to providing a safe, inclusive and well-maintained residential community that promotes student empowerment, academic success and transformational development.

VISION STATEMENT

We will be a model Housing & Residence Life program characterized by student-centered and innovative programs that meet the demands of our diverse residential population and engage in collaborative partnerships that foster a collegial atmosphere for experiential learning, scholarship, global leadership, and civic engagement.

COMMITMENT TO DIVERSITY AND INCLUSION STATEMENT

As one of its core values, Norfolk State University fosters a multicultural campus respecting all people, cultures, ideas, beliefs, identities, socio economic backgrounds, and perspectives. We are committed to creating supportive and inclusive environments throughout our residential communities. We believe each SPARTAN should feel open and comfortable to contribute to the community. As such, our team will provide opportunities for you to share your experiences, beliefs, and perspectives, and we ask that you reciprocate. If we all work together, we can create and maintain a culture of mutual respect, civility, trust, and community and every Spartan wins!
The Office of Housing and Residence Life is committed to protecting the health and safety of our students and minimizing the risk of coronavirus (COVID-19) within our community. We recognize the impact of COVID-19 or similar public health crisis will impact your housing experience as Norfolk State University continues to make public health-informed decisions. We have incorporated changes to our rules, guidelines and procedures into a HOUSING CONTRACT 2021-2022 ADDENDUM that are applicable to all residential students. We will make every effort to provide timely updates regarding specific health and safety guidelines and notify residents of such changes. Below you will find important changes included in the Addendum as well as changes in housing guidelines and procedures due to the impact of COVID-19. The changes in housing guidelines and procedures documented in this section supersede any procedures and guidelines previously documented.

**Health and Safety.** All students who reside in University-owned housing must adhere to health and safety measures implemented to reduce the threat of coronavirus (COVID-19) in the residence halls. These measures include but may not be limited to: wearing a cloth face covering or disposable mask, symptom tracking, contact tracing, social/physical distancing, limits on gatherings, disinfection protocols, and limitations on guests within the residential communities, and quarantine and isolation requirements. While the University is working to reduce the risk of COVID-19 transmission, we cannot guarantee the measures in place will entirely prevent the spread of COVID-19 among students, faculty, and staff. All students who live in University-owned housing will have to participate in efforts to reduce the risk for themselves and others in the community.

**Quarantine and Isolation.** At any time, the University may request or require a resident to leave housing should the student’s continued presence pose a health or safety risk to the residential community. Residents are required to comply with any request from the Office of Housing and Residence Life to leave their assigned space due to COVID-19 or other public health emergencies, failure to do so would be a violation of this addendum and may subject students to emergency removal from their assigned space. Housing and Residence Life will provide alternative accommodations for students who need to quarantine or to isolate. Removal from your housing assignment to quarantine or isolate does not constitute a termination of your Housing Contract.

**De-Densifying Efforts.** All students who live in University-owned housing are required to comply with any de-densifying efforts on campus due to COVID-19 or other public health emergencies, including, but not limited to the relocation of all or some residence hall students to alternative housing. Relocation by Housing and Residence Life does not constitute a termination of your Housing Contract.

**Dining Services.** Food services, including campus dining and meal plan options, is subject to operating at the discretion of the University and the modifications needed to address public health concerns. There may be limits to the occupancy of campus dining venues, limits to the amount of time students may stay in the dining venues, or other operational adjustments needed to address health and safety concerns.

**Room Changes.** The modification to this guideline reflects a change to restrict room changes during the 2021-2022 academic year. Students who live in University-owned housing will not be permitted to change your housing assignment during the 2021-2022 academic year. Housing and Residence Life may permit emergency room changes on a limited, as needed basis, as approved by the Associate Director for Housing Services and Business Operations, Associate Director Residence Life, or the Executive Director for Housing and Residence Life.

**Cleaning.** The University will continue to implement and modify its cleaning protocols to address COVID-19 or similar public health crisis. Housing and Residence Life will also educate and inform residential students on appropriate cleaning protocols within their assigned residential community to enhance the overall health and safety.
**Termination.** Upon reasonable notice, Housing and Residence Life reserves the right to adjust or terminate the Housing Contract at its discretion due to public health emergency needs, including COVID-19. Students may not be able to remain on campus and use of housing facilities and services may be significantly restricted. In the event the University requires students to vacate their space, students will be responsible for removing all valuable personal items at that time. The University will not be responsible for loss or damage to a student’s personal items that must be moved or stored in such instances.

The following measures are added to housing procedures and guidelines to enhance safety and wellness for residential students.

**Face Coverings.** All individuals, including residents within their assigned community are required to wear face coverings/masks in all areas except their personal living space (bedroom, living room, kitchen, suite bathroom). Face coverings/masks are required in spaces including but not limited to: common spaces within the residential communities (computer labs, exercise facilities, hall bathrooms/showers, elevators, hallways, study rooms, front desks, lobbies, office suites, etc.). Face coverings/masks must also be worn in the following spaces throughout campus which include but are not limited to: campus eateries, classrooms, office suites, elevators, restrooms, open and closed lounges, study rooms, exercise facilities, computer labs, laboratories, etc. Students should understand and are expected to adhere to wearing face covering/mask at all times outside of their room, suite or apartment.

**Visitation.** Physical distancing plays a critical role in reducing the threat of coronavirus. Visitation is currently suspended in the residential communities until further notice. Housing and Residence Life will provide written communication to students upon implementation of a revised visitation plan or a return to normal visitation using the standard rules and procedures (see pages 15-17 of the Residential Handbook).

All NSU students are expected to follow physical distancing practices including but not limited to the following measures:

- Stay at least 6 feet (at least two arm’s length) from others at all times
- Do not gather in groups of more than ten
- Avoid large gatherings and crowded places
- Use stairwells for travel purposes or preferably, be the only one in an elevator
- Avoid having more than two people in elevators at one time

RESIDENTIAL COMMUNITIES

Norfolk State University provides student housing for full-time matriculating NSU students. There are nine residential communities with various amenities designed to create a unique Spartan Residential Experience. Students are required to apply for housing each year they desire to live on campus. Applications are available during the spring semester for the following academic year.

To be eligible for on-campus housing, students must submit the online housing application and pay a non-refundable $300 housing deposit (the housing deposit is credited towards your total housing fee) by the respective deadline date (March 1 for current NSU students and May 1 for incoming freshmen and new transfer students). Students must also submit a signed Housing Contract for the respective academic year and agree to abide by the terms listed in the Guide to Community Living and NSU Code of Conduct.

Room assignments for new students are made on a rolling basis beginning May 4th. Current NSU students must participate in the room reservation process held each spring for the following academic school year. Students who desire to room together must apply for housing and pay the non-refundable housing deposit by the deadline date and must request each other as roommates. HRL will make every effort to place students who request each other together who meet the requirements however, we cannot guarantee it.

Students desiring to live in Midrise Honors Residential College must be a Presidential Scholar, Provost Scholar, DNIMAS Scholar, a member of the University Honors College, or possess a 3.0 minimum cumulative GPA. FIRST-YEAR RESIDENCY REQUIREMENT

On-campus housing is MANDATORY for all first-year students who attend NSU and live outside a 35-mile radius from the University. There are limited exceptions to the mandate. For more information on exceptions to the mandatory housing requirement, please contact Housing & Residence Life at (757) 823-8407 or via email at housing@nsu.edu. AGOGE WEEK

AGOGE Week (Welcome Week) is a collaborative effort between the Divisions of Student Affairs and Academic Affairs. AGOGE Week provides an opportunity to assist students with the transition to college life. Students are exposed to educational and social programming in an effort to provide information about the academic experience, campus resources, college life, and living in a residential environment. For many of our freshmen students, this will be their first time away from home.
ROOM CONSOLIDATION

Due to the high demand for on-campus housing, our ability to grant room or roommate changes is extremely limited. Residents may consolidate rooms after the late registration period. Housing & Residence Life will advertise the timeframe and process for room consolidation. Residents may only change rooms during this open change period.

Residents will be fined for improper room changes and may be subject to further penalties and/or disciplinary action. Failure to consolidate by the designated date may result in an automatic single room rate charge being applied to student’s individual account.

DEPARTMENTAL ORGANIZATIONS/INITIATIVES

RESIDENCE HALL ASSOCIATION (RHA)

All students who live in residence halls are members of the Residence Hall Association (RHA). RHA is a representative group of students, with elected officers. RHA strives to support the mission of Housing & Residence Life, take action to improve the quality of campus life, and foster community ownership and pride. RHA hears the concerns of residents and works to address those concerns by utilizing community resources to plan activities, purchase items, promote community respect and accountability, and establish clear and consistent communication among appropriate members of the living community. As a result, RHA empowers residents to stay informed and invested in the development of their community and serves as a leadership opportunity for students.

At its most fundamental level, RHA is comprised of a Hall Council for each residential community. Each council meets regularly and works with the Community Activities Board to plan creative, fun and interesting programs and to ensure residents feel valued and have a voice in the community governance process. There are five leadership positions in Hall Council: President, Vice President, Secretary, Events Coordinator, and Floor Representative. Residents interested in serving in a leadership role in their Hall Council should speak with their Resident Director. At its core, the Hall Council serves as an event planning body (through its CAB); advocate for resident concerns; and functions as an excellent leadership development opportunity for active residents interested in becoming Resident Assistants.

For additional information on RHA, please contact the Office of Housing & Residence Life at (757) 823-8407 or email us at housing@nsu.edu.

THE IDEAL SPARTAN

THE SPARTAN

The Spartan is highly esteemed as a global citizen and warrior, admired by others for setting universal standards of excellence. Known for their impeccable armor, Spartans are prepared, methodical, jovial, loyal, and courageous. The Ideal Spartan represents NSU at all times and in all places. The five most important pieces of a Spartan’s armor include the cloak, representing pride; the breastplate reflecting integrity; the sword representing engagement; the helmet symbolizing curiosity; and the shield signifying overall excellence.

PRIDE

As with any warrior, a Spartan needs a cloak for inclement weather (life’s challenges). The Spartan warrior knows that before a battle begins, a fighter must have carefully cultivated the self-discipline that will prepare him or her for whatever is to come. Keeping in mind his or her ultimate goal, the warrior is fueled by love of country (the University). Through meaningful and wise choices, the Spartan takes ownership and responsibility for his/her extended family and nation, always representing NSU with valor and praising her people.

ENGAGEMENT

The Spartan’s sword connects him or her with leaders and peers, all of whom are fully engaged in pursuing personal excellence as well as the greater common good. The sword symbolizes Spartan unity on and off the field of battle. A Spartan engages in constant training, ever-ready to take on local, regional, national, and global challenges. He or she serves as a model of unceasing civic engagement.

CURIOSITY

The Spartan’s helmet protects and guards his or her ever-expanding intellect. Always seeking to understand new ways of life, listening to the wisdom of community leaders, actively asking questions, and always being open to change, the Spartan constantly sharpens his or her critical thinking skills. This curiosity makes every Spartan a lifelong learner, building habits of mind that move beyond the superficial and always taking into account the needs of the whole.

INTEGRITY

The breast plate is one of the most important pieces of armor as it not only protects the Spartan physically but spiritually. The breastplate represents honesty and the deep sense of trust in other Spartans that protects every mature warrior’s heart. The Spartan's unassailable integrity allows him or her to be given leadership tasks to carry out in full, even when no one is checking, and even when difficult choices must be made alone.

EXCELLENCE

The Spartan’s shield safeguards him or her while navigating through the world. The shield allows a Spartan to move ever forward, even in the face of great adversities and disappointments. A Spartan’s education – indeed a Spartan’s whole life – is an unending quest for excellence. When a Spartan is knocked off his or her feet, he or she rises again, not only to press forward but to serve as a signal and motivate others in the fray.

CIVILITY

Norfolk State University students embrace civility as a passport to full citizenship in the world. Spartans live with integrity and maintain the highest moral, ethical and intellectual standards. Continuously fostering a community of inclusiveness, students lead with humility, cultivate personal growth and respect the ideas of others. Always open to both unity and diversity, NSU students understand that respect always begins with self and then moves ever outward, creating synergy among fellow Spartans, fellow Americans and all other peoples.
VERSE
By Virginia's golden shore
There's a place that we adore
Where Norfolk's sun shines bright
Down on our campus site.
The walls of Brown Hall
Will always give a call
To all striving to succeed
Forging onward, bound to lead.

CHORUS
Oh, Norfolk State we love you,
Oh, Norfolk State we'll always be true,
And when we leave we'll shed a tear,
For to us you've been so dear.
And leaving shed a joyful tear,
For our Alma Mater dear.

VERSE
Though the years we spend are few
You will teach us what to do
In splendor we'll relive
The glorious time you give
We'll wave the green and gold
To praise thee a thousand-fold.
A guiding light to us you've been,
Unwav'ring to the end

NSU FIGHT SONG
SAY HEY for the victory
That's sure to be;
For NSU we're here to fight
And we will fight for the Green & Gold,
Our Alma Mater -
We pledge our loyalty.
Say Hey! (HEY) For the Victory!
Say Hey! Hey! Hey!
For NSU, we'll fight.
Fight team, fight on to victory for N-S-U.
