

How to select a roommate

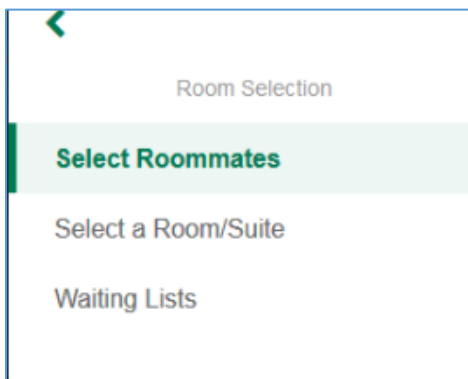

Below are directions on how to select your roommate on the housing application form.

! Important: Applicants and their preferred roommates must have applied and paid for housing in order for them to appear in your search. If an applicant is under the age of 18 years, their housing application must be completed with their parent/legal guardian’s signature (this is sent to them via email – email is based on the one that’s entered on the housing application).
