

# FALL 2023 HOUSING ASSIGNMENT PROCESS

## ROOMMATE SELECTION

### How To Select Your Roommate:

- Students who wish to be roommates must both completely apply for fall 2023 housing and pay the non-refundable deposit by the priority deadline (Returning Students - April 21, 2023 / New Students - June 1, 2023).
  - Students who are under 18 y.o. at the time they apply for on-campus housing should have their parent/ guardian complete a parental verification. If the parental verification is not signed, the application is considered incomplete.
- Students must select each other. They must select and qualify for the same residence hall.
  - Students who select each other will see that they are a "match" in the housing portal.
  - Students should complete their profile so that it is easy to find their potential roommate.

### Quick steps to search for your roommate

- To select your roommate log into the Housing Self-service portal.
- Click on Room Selection then Select Roommates
- Select the current term.
- Click on Search for roommate and use the field(s) to begin your search!

*Housing and Residence Life only has the ability to assign a room to students who have matched.*
