Checking Into Your Residence Hall
On move-in day, students will visit their assigned received hall to receive their room key and complete other important check-in materials. All students are required to show valid ID to check into the residence halls.

Our Suggested Items to Bring information will acquaint you with recommended and prohibited items. If you choose to arrive to campus after your scheduled check-in date, you may check in daily until the final day of class cancellation.

Any student who has not checked in by the first day of class and who has not notified the Office of Housing & Residence Life of a late arrival will be considered a no-show and may risk losing his or her space.

WE HOPE THAT YOU WILL ENJOY YOUR BREAK! PLEASE TRAVEL SAFELY!

10 TIPS FOR MOVING IN:

- Schedule and arrange your trip to NSU in advance!
- Review our Suggested Items to Bring check list to learn what you can & cannot bring.
- Pack similar items together.
- Pack clothing according to the weather conditions throughout the semester. NSU’s spring semester does begin with winter and will end in the late spring.
- Pack electronic equipment and other fragile items in the manufacturer’s original container and padding.
- Don’t forget your chargers/power cords!
- Don’t over pack boxes as this will make it too heavy to transport.
- Clearly label all boxes.
- Pack a First-Night Box to include items you’ll need.
- Use rolling luggage/handcart for heavy items like books, computer, TV, etc.
