Saturday, The Twelfth of December  
Two Thousand Twenty  
at Ten O'clock in The Morning

Members of the May and December Classes of 2020:

Happy graduation day! I wish to personally applaud each one of you and to extend congratulations from the faculty, administration, and staff of Norfolk State University to the graduating classes of May 2020 and December 2020. This is what you have worked hard to achieve and have looked forward to since enrolling here at NSU. You and your family have a right to be proud. We are pleased to celebrate your achievements today.

This past year has been one like we have never experienced in our history. Many have faced numerous challenges, yet you continued to persevere and finished Spartan strong. You are now entering a new stage in your life and becoming a member of the Norfolk State University Alumni Association. Alumni continue to make a difference in so many ways through their ongoing support of the University. Equally important, you as alumni, have the role of being ambassadors for Norfolk State University personally and professionally.

Again, congratulations on your achievements and we look forward to sharing this special day with you.
