CLASS OF 2020

Members of the Class of 2020:

You made it! Congratulations on completing your studies. We will gather to formally celebrate your achievement in a commencement ceremony in the Fall. I could not allow this moment to pass without recognizing your hard work and success.

The last several months have been difficult, but your ability to adapt quickly to the changes brought by COVID-19 clearly demonstrates that you can weather any storm with hard work, the support of one another, and the unwavering belief in the promise of tomorrow. Thank you for keeping the faith, staying the course, and finishing your journey Spartan Strong!

Whether you pursue graduate studies or enter the workforce, I encourage you to never stop learning, dreaming, and growing. Your accomplishment at NSU will serve as the foundation for your future success. This is a lifelong testament of the personal investment that you have made in yourself. I wish you nothing but the best, and look forward to welcoming you back to campus in the Fall for commencement.

Congratulations Spartans.

Behold,

A handwritten signature in black ink that reads "Javaune Adams-Gaston, Ph.D.".
