NSU TESTING SERVICES ACADEMIC INTEGRITY POLICY

As an incoming student, you acknowledge that you will abide by the following Norfolk State University test integrity protocol.

1. Clear cell phones, smartwatches, calculators, books or other unauthorized items from desk or table (No testing from bed.)
2. No other computer monitors, screens, or tablets should be on during the test.
3. All communication devices, televisions, and audio devices in the room must be silenced.
4. Students are not allowed to talk or communicate with others during the proctor session.
5. Only the test-taker is permitted to enter the room once the exam is launched.
6. No headsets or earplugs are allowed.
7. Make sure that your full face is in view throughout the test.
8. Consequences for violating testing protocol may result in **invalidation of test results**.
