The event was held in Richmond, for two dates of November 14-15, 2023. Ms. Abbott also addressed the Board of Visitors open officer positions, which will be discussed in the March 2024 meeting. The planning process is taking place within the Committee.

13. State of the University- President Javaune Adams-Gaston, Ph.D.

Dr. Adams-Gaston informed that this is the last Board of Visitors Meeting for the year 2023. Dr. Adams-Gaston also acknowledged the success that has been made through The University Academic Executive Team and the Board of Visitors. Dr. Aurelia T. Williams, Senior Vice Provost, was acknowledged for her duty as Interim Vice President of Research and Innovation, and all the support received from Provost Dr. Fulton.

Dr. Adams-Gaston addressed the importance of research, which is vital to the success of the institution. The more research is conducted the more new data is received and will result in students receiving a richness for learning. Students that are Graduate and Undergraduate benefit from studying in an environment that is rich with research and discovery. Faculty brings to the classroom, engage with students as part of their research team and conducting independent research with faculty supervision. Dr. Adams-Gaston also informed of her experience of attendance of SACSCOC.

The President discussed the following items. Faculty Research, New Discovery, and Publication were also discussed. Norfolk State University currently has 87 grants active to the University. A few projects which the Faculty Scholars are engaged in were also highlighted. The College of Science Engineering Technology was highlighted. Dr. Adams-Gaston also addressed the use of differential equation, which is a valuable tool used by the Faculty in the Engineering and Biology Department, who have teamed to develop a technique for early diagnoses for Breast Cancer and aggressive cancer cells. NSU is establishing a Smart Campus and Community, which will unite with local community members with internet technology which is an empowered capability.

The critical gap for getting young people support they need for mental health was also discussed, with a focus of using data and Artificial Intelligence to expand access to mental health for underserved populations in Hampton Roads. Dr. Adams-Gaston also highlighted Norfolk State University Fashion design students. They will have the opportunity to partner with Swarovski Crystals for their Spring Fashion Shows. Representative from Swarovski will be on campus January 2024 to work with students. Dr. Cynthia Nicholson was also acknowledged for her work “Culture Revisited: Dealing with Racial Battle Fatigue One Strand At A Time” in the Winter Edition of Black Child Journal. Faculty are engaging with students and helping them to do research and projects together and helping to get them to Regional Conferences.
Dr. Adams-Gaston also expressed her sadness of seeing Dean Carrington leaving his role with the University. Dean Carrington taught students of professional dress on Fridays and encouraged them as they prepare for their future.

The College of Liberal Arts was highlighted for their use of drone photography, which collects drone images to create 3D design. In the area of Music, Cultural and Artificial Intelligence we have the development of three courses by Professor Gerlad Thompson. These courses are Rhythm Beat and Cultural, Exploring the RnB and African American Influences Music in AI, Music in social media. The Department of Physics NSU had their first launch in space in August 2023. The suborbital was launched into space for 30 minutes. The Department of Computer Science, focus has been on the use of Artificial Intelligence in Cyber Security and the use of Machine Models to address Cyber Security Challenges. In our department of Engineering, digital twin technology is being used.

Points to Ponder

• Why Mental Health?
• Resources and Degree Program
• Mental Health First Aid
• I am My Spartan's Keeper
Why Mental Health?

It is our emotional, psychological, and social well-being. It affects how we think, feel, and act. It also helps determine how we handle stress, relate to others, and make healthy choices.

- Center for Disease Control
Quick Facts

Focusing on the Data

• Almost half of the adults (46.4%) will experience mental illness in their lifetime
• 1 in 5 U.S. adults experience mental illness each year
• 1 in 20 U.S. adults experience serious mental illness each year
• 1 in 6 U.S. youth aged 6-17 experience a mental health disorder each year
• 50% of all lifetime mental illness begins by age 14, and 75% by age 24

Internal Audit and University Compliance Coordination

Business Partners
Positioned as partners in strategic planning, process development, implementation efforts

Audits
Independent of management, evaluates the internal control environment as to its adequacy, efficiency, and effectiveness, coaches on response

Continuous Monitoring
When observations are noted, Audit and Compliance coordinate to determine root causes, develop corrective action plans, and support implementation

Assessments
An integral component of management, ensures compliance with applicable laws, rules, regulations, internal codes of conduct, policies and procedures, along with compliance partners act as integrated part of response, both strategic and operational

BOV Reporting
Both Compliance and Audit report to the Board of Visitors to assist members and management in the effective performance of their responsibilities, and to maintain comprehensive and professional Internal Audit and University Compliance programs.
Ensuring compliance across the university is essential to support Norfolk State University’s vision to be recognized for outstanding signature academic programs, innovative research, and community engagement opportunities.

HB30/SB30: In-State Tuition for Out-of-State Students: On page 589, after line 48, insert: “e. The requirements for §4-2.01 b.2.b, as it pertains to nonresident undergraduate students, are waived for new nonresident undergraduate students enrolled at NSU, VSU, UVA-Wise and institutions of higher education with a current proportion of nonresident undergraduate enrollment of less than 20 percent, measured in terms of full-time equivalent.”

HB145: Virginia Teacher Residency Training Corps; established. Establishes the Virginia Teacher Residency Training Corps for the purposes of attracting and retaining public elementary and secondary school teachers in school divisions in the Commonwealth by awarding scholarships to students seeking to obtain teaching degrees and certifications at participating institutions and requiring such students upon completion of their degree or certificate to fill teaching positions for one year for each year of scholarship receipt at a high-need school, as defined pursuant to federal law. The bill also creates the Virginia Teacher Residency Training Corps Scholarship Fund and Program for the purpose of funding such scholarships at the participating institutions of Longwood University, Norfolk State University, Radford University, and Virginia Commonwealth University. Finally, the bill establishes the 12-member Virginia Teacher Residency Training Corps Commission to administer the Program and directs the Commission to begin meeting on or after September 1, 2024, and to establish the parameters for the Program and award the first scholarships prior to the beginning of the 2025-2026 academic year.

HB566: SCHEV; membership to include representative of a historically black college or university. State Council of Higher Education for Virginia; membership; representative of a historically black college or university. Requires the membership of the State Council of Higher Education for Virginia to include at least one non-legislative citizen member who has served as a chief executive officer of one of the Commonwealth’s historically black colleges or universities.

HJ25: Provide Study; joint committee of the House Committee on Education and the Senate Committee on Education. Study; joint committee of the House Committee on Education and the Senate Committee on Education and Health; challenges faced by and effective strategies for ensuring the sustainable, long-term success of the five historically black colleges and universities in the Commonwealth; report. Establishes a joint committee consisting of five members of the House Committee on Education and three members of the Senate Committee on Education and Health to study the challenges faced by and effective strategies for ensuring the sustainable, long-term success of the five historically black colleges and universities in the Commonwealth – Hampton University, Norfolk State University, Virginia State University, Virginia Union University, and Virginia University of Lynchburg – by discussing, adopting, and recommending to the Governor and the General Assembly for formal recognition and endorsement a comprehensive statewide HBCU Support Plan.

WHAT IS A CAMPAIGN?

What is a Capital Campaign?

A capital campaign is a rigorous attempt to raise major gifts for one specific goal or a variety of goals.

If you have multiple goals, your capital campaign is considered a comprehensive campaign. Having multiple goals classifies your project as a comprehensive campaign.

These campaign gifts are typically used to build, renovate or acquire buildings. However, they are also used to raise money for endowments, scholarships, or other institutional needs. Essentially, we’re trying to raise a significant number of funds within a defined period of time as a way to support the larger goals and mission of Norfolk State University.
NSU’s NOW IS OUR TIME CAMPAIGN

There are two overarching phases for campaigns: the quiet phase and the public phase.

During the quiet phase, 50%-70% of the funds are raised through major gifts strategies. And during the public phase, the remaining funds are raised by soliciting donations from a larger population of donors.
1. PRE-PLANNING PHASE

Within the pre-planning phase, we completed a readiness audit that assessed NSU’s fundraising capabilities and our ability to undertake a campaign. Through the RFP and selection committee process, we hired Alexander Haas to conduct our campaign audit, study and campaign phases.
NSU’s NOW IS OUR TIME CAMPAIGN

2. PLANNING

Within the planning phase, we completed a case summary, feasibility study, assembled our strategy team, set our goals, deadlines, and budget, and conducted a prospect screening.
NSU’s NOW IS OUR TIME CAMPAIGN

CASE SUMMARY

NOW IS OUR TIME TO ADVANCE NORFOLK STATE’S IMPACT

We will bring NSU’s voice to the table as a leader among historically Black Colleges & Universities (HBCUs).

With your support, Norfolk State will empower more students to fully develop their talents and abilities, enabling them to lead rewarding lives, enjoy productive careers, and make substantial contributions to their communities and society. This is a high calling, one that we embrace.

By ensuring investments in our people and key programs, NSU can realize its aspirations to serve better our students, the Commonwealth, and the nation. To that end, we have embarked on a historic fundraising campaign to transform lives and enhance our role as an economic driver for our state and the Hampton Roads region. With your partnership, we can fuel and sustain our rising momentum.

Together, we will forge Norfolk State’s future.

4. KICK-OFF

The kick-off phase marks the official launch of our Now Is Our Time Campaign. After months of quietly courting and securing major donors, it’s time to host a press conference and throw a launch party scheduled for Fall 2024.
