FINANCIAL AID**

## ADMISSION REQUIREMENTS

- Applicants are accepted for admission on the basis of qualifications, without regard to sex, age, race, religion or national origin.
- Completion of an undergraduate degree from a regionally accredited college or university.
  - A minimum GPA of 2.8 on a 4.0 scale for conferred degree(s).
  - Ask your college or university to send official transcripts to the School of Graduate Studies and Research-graduateschool@nsu.edu.
  - Upload unofficial transcripts for conferred degree(s) in the application portal for initial application review.
  - Upload your resume in the application portal.
  - International students who attended undergraduate school at a non-U.S. institution must submit an official, evaluated transcript from an approved agency such as the World Education Services (WES) or Educational Credential Evaluators (ECE).
  - All foreign applicants whose native language is not English are required to demonstrate the necessary level of proficiency in the English Language by taking the Test of English as a Foreign Language (TOEFL).
  - To ensure adequate time for processing prior to enrollment, the Graduate School must receive your application, transcript(s) and resume by May 1, 2023 for Fall semester 2023 enrollment.
  - No GRE required.
  - The first cohort of students must take their internship in Virginia.
  - Each International Student is admitted to the University under the admissions criteria set forth by the School of Graduate Studies and the graduate programs.
  - The Master of Health Informatics (MHI) is fully online which means International Students should remain in their home country for this program. International students that are in the U.S. do not qualify to enroll in the MHI degree program because international students are only allowed to register for one online course a semester.

- If the International Student remains in his/her country to complete all course work he/she should prepare to come to the U.S. to complete his/her Internship in Norfolk, Virginia, where Norfolk State University is located. The

International Students should prepare to apply for his/her I-20 at least three (3) to four (4) months prior to the start of the Internship. The requested dates on your I-20 should cover the length of time needed to complete the internship.
