**SOCIOLOGY**  
 THE **POWER OF SOCIAL CHANGE**

## PROGRAM HIGHLIGHTS

- Three academic programs: undergraduate program in Sociology and graduate programs in Criminal Justice and Urban Affairs, ranked among the top 10 programs in the State of Virginia.
- Studies that include: human social relationships and institutions; crime to religion; family to the state; divisions of race and social class; shared beliefs of a common culture; social stability to social change; cyber security to environmental justice.
- Professional Partnerships with local and state police departments and federal agencies, local sheriff offices, faith-based institutions, community agencies, group-home facilities, YMCA, homeless shelters and many others.

## LEARN WITH US

We support and encourage students to develop their full potential and achieve excellence while responding to an ever-evolving society by developing innovative programs to solve social problems in America and beyond.

## EDUCATION YOU CAN TRUST

We prepares students to become social change agents. We offer a high-quality education, providing the knowledge and skills to compete in a diverse and ever-changing world.

## THE POWER OF SOCIAL CHANGE

In order to heal the world, you must first be prepared to change it! Sociology provides a systematic and scientific approach that enhances one's ability to put ideas to power.

## COME WITH US

Explore the world we live in; understand the complexities of human social change; be equipped to find solutions to social issues.

## GETTING PAID

Our graduates are: Lawyers, Market Research Analysts, Research & Policy Analysts, Law Enforcement & Corrections Officers, Criminal Justice, Probation & Parole Officers, Prison Officials, Rehabilitation & Housing Associates, Human Resources, City Planners, Group Counselors and many more.
