INTERLIBRARY LOAN: POLICY CONTENT

Purpose

The purpose this policy is to ensure that Interlibrary Loan Service is being fully utilized by Norfolk State University faculty, staff and students

Procedures

NSU faculty, staff and currently enrolled students may borrow various formats of materials such as books, articles, DVDs and films by using the ILL service. Library patrons must establish an ILLIAD interlibrary loan account and fill out ILLIAD request forms linked to the Library’s web page to obtain needed materials.

Upon receipt of requested materials, the borrower signs an agreement to:

1. Be responsible for the safe keeping and safe return of the materials. This includes, but is not limited to, returning materials undamaged and unmarked. Any existing marks in a book should be reported at the time the book is picked up.
2. Return materials borrowed by due date requested by the NSU library to comply with the date imposed by lending institution.
3. Abide by the copyright law which governs the use of the type of materials received
4. Interactive forms must be filled in online
5. Abide by restrictions placed on materials by lending libraries, i.e. “for use in the library only”
6. Renewal of items is based on guidelines as determined by the lending institution.
7. Class textbooks are not processed through Interlibrary Loan. Textbooks are difficult to obtain and may not be kept for the entire semester.

Other libraries may borrow from the NSU library collection as well. All requests for materials must be submitted through a participating library and not the individual user. Books are loaned to other libraries for a period of at least 60 days and may not be renewed for an additional loan period. Photocopies are supplied free of charge, up to 10 pages, to libraries that reciprocate. A fee is charged to all others. Photocopied materials can be transmitted by Odyssey document delivery, e-mail, and Mail.

Lending

Procedures

1. Print all the pending requests form OCLC First Search Resource Sharing.
2. Retrieve books and photocopy or download a digital copy of the articles from the periodicals.
3. Process the requests and ship them via mail, Fax or Odyssey document delivery, or e-mail.
4. The lending period for new books or books from the special collection (Herbert A. Marshall Collection) is 45 days with no renewal.
5. The lending period for other books (older books from the circulating collection) is 60 days with no renewal.
6. The replacement cost and processing fees for any lost or damaged books or other materials loaned to other libraries will be billed to the borrowing library.

Borrowing

Procedures

Procedures vary depending on the medium requested by the user. Books, DVD’s and other physical items may only be picked up at the Access Services/Circulation Desk. Articles which are faxed or sent in digital format are delivered electronically through the borrower’s Interlibrary Loan account. Faxed items are scanned by ILL in order to provide electronic document delivery. Distance education students in Virginia may use the VIVA Universal Borrowing Program to borrow books from participating VIVA institutions.

1. Process the request on Illiad. This process includes downloading the request, locating a lending library, placing the request, and receiving the borrowed item by mail, fax, or electronic document delivery (Odyssey). ILL requests are limited to ten (10) items per patron per week.
2. The Illiad system sends an e-mail notifying the borrower of the arrival of the item. Odyssey will deliver the article or chapter to the borrower’s ILL account for
retrieval. There is a time limitation on how long the article remains in the borrower’s account, so prompt retrieval is a necessity.

3. An on campus Student picks up and returns books, DVD’s or other physical materials at the Access Services/Circulation desk. When the item is borrowed, the borrower must sign the request slip accepting responsibility for the safe, undamaged return of the item.

4. Student signs in the “Returned ILL Folder” at the Access Services/Circulation desk when the item is returned as proof of the return.

5. The borrower is responsible for any late fees and lost or damaged books borrowed through Interlibrary Loan. The replacement cost or damages are determined by the lending institution, and are billed by the Lyman Beecher Brooks Library to the borrower. Failure to pay for loss or damage will result in a request to the Registrar’s Office to block the borrower’s accounts at NSU. In addition, the patron’s borrowing privileges will be restricted from checking out any additional library materials and from making any further Interlibrary Loan requests until the patron has paid for the lost or damaged item or items.

This policy shall be widely published or distributed to the University community. To ensure timely publication and distribution thereof, the Office of the Provost and Vice President for Academic Affairs will make every effort to:
