**POLICY CONTENTS**

Departments will be charged monthly for supplies sold through the Central Warehouse. After purchase orders for paper and envelopes have been filled and delivered to departments, quantities are entered into the Colleague receiving system. Each purchase order is initialed or marked to show it has been entered. Once all purchase orders have been entered for the month, the Recovery Transfer Form is filled out. This form is completed by entering each Purchase Order Number and its total cost/amount utilizing the First in First Out (FIFO) accounting technique. Once completed, the purchase order numbers and totals are verified, and the recovery transfer form is printed, signed by manager and copied. The original recovery form is sent to Accounts Payable to be processed. A copy of the Recovery Transfer Form is filed with the accompanying purchase order.
