REIMBURSEMENTS POLICY CONTENTS

Unless otherwise approved in advance by the Director or Associate Director of Procurement Services, purchases approved for payment as reimbursements by Procurement Services are restricted to those purchases up to $100, which are made for emergency reasons or which processing through normal channels would be too costly and/or too time consuming, or when desired goods are available only from vendors who require prepayment. Small business set-asides and other procurement policies apply to purchase transactions paid with personal funds and later reimbursed by the University.

The purchase of pens, markers, or items manufactured by the visually impaired and/or items manufactured by other mandatory sources or similar to items stocked in the University’s Central Warehouse is prohibited. Questions regarding reimbursable items should be directed to Procurement Services.

The University is exempt from sales tax in Virginia; therefore, employees will not be reimbursed for sales taxes paid. Commonwealth of Virginia Sales and Use Tax Certificate of Exemption form is available upon request from Procurement Services.

Departments and activities are strongly encouraged to obtain a Small Purchase Charge Card for small dollar transactions rather than paying with personal funds and seeking reimbursement.

This policy shall be widely published or distributed to the University community. To ensure timely publication, and distribution thereof, the Responsible Executive will make every effort to:
