Instead, University departments should print documents through a networked copier. The secure print option should be utilized when printing confidential documents. If a department is not already networked to a copier, arrangements should be made through OIT. Any request for an exception must be made in advance and in writing by the department and submitted to OIT for review and approval. The request must give a compelling reason explaining why the purchase of a desktop printer is essential.</p> <p>(The Vice President for Finance and Administration, Executive Budget Director, Chief Information Officer and Director of Procurement Services will jointly decide whether to approve desktop printers)</p> <p>(See Related Documents)</p>	<ul style="list-style-type: none">• Computers, monitors, printers, and related supplies, equipment, and maintenance• Telecommunications equipment and services (telephone, pagers, two-way radios, etc.)• Desktop printers

EDUCATION AND COMPLIANCE

The intent of this policy is to provide training and guidance to the campus community for acquiring goods and services when prior approvals are needed. The training will be a collective effort of several offices as identified above.

PUBLICATION

This policy shall be widely published or distributed to the University Community. To ensure timely publication and distribution thereof, the Responsible Office will make every effort to:

- Communicate the policy in writing, electronic or otherwise, to the University community within 14 days of approval;
- Submit the policy for inclusion in the online Policy Library within 14 days of approval;
- Post the policy on the appropriate SharePoint and/or Website; and
- Educate and train all stakeholders and appropriate audiences on the policy's content as necessary. Failure to meet the publication does not invalidate this policy.
