eVA BUSINESS PLAN POLICY CONTENTS

This policy applies to all University departments procuring goods, services and construction.

PURPOSE

eVA is used to:
- Maximize efficiency and effectiveness in procurement to the maximum feasible degree;
- Increase spend with Small, Women-Owned, and Minority-Owned (SWaM) businesses that have been certified by the Department of Small Business and Supplier Diversity (SBSD)
- Maximize spend with eVA self-registered vendors
- Maximize spend through term contracts
- Increase transparency

eVA ACCESS AND USE

Individuals can request access to eVA by submitting an eVA Acceptable Use Acknowledgement Request Form to Procurement Services. Individuals must also complete up to four hours of contact training. eVA users are assigned a unique user ID and password and can only perform functions that have been assigned to them. Users are able to initiate a purchase and the purchase will be finalized upon completion of the designated eVA approval flow.

Training information and user guides are located on the Procurement Services website at: https://www.nsu.edu/procurement-services/training

eVA access is not granted until the following requirements are met:
- A completed eVA Acceptable Use Acknowledgement Request Form is received
- eVA training has been completed by the person requesting an eVA account

PROCUREMENT RECORDS

All eVA generated procurement records are stored in the eVA system and can be accessed by the user at any time. eVA transactions are also entered into Colleague and accessible to Accounts Payable to support payments to vendors. Unless otherwise authorized by Accounts Payable, electronic receiving is required to be completed via Colleague to authorize payments to vendors.

BUSINESS RULES

- Transactions may be processed by decentralized departments and paid via Small Purchase Charge Card (SPCC) in accordance with the University’s SPCC Policy #43-13.
- Small Purchase Charge Cardholders who have been trained in eVA have delegated authority to procure most goods and services from contract or non-contract vendors up to
the card holder’s single and monthly transaction limits via eVA.

- eVA users must have a supervisor/reviewer approve all requisitions created in eVA prior to transactions being processed by Procurement Services. Only transactions created by Procurement Services for other departments are exempt from this requirement.
- eVA users must do business with eVA self-registered vendors to the maximum extent possible. The responsibility of being self-registered in eVA is that of the vendors.
