The SpartanCard serves as the University’s identification card, dining card, door access and declining balance debit card. It is the Official one-card solution for the campus.

All faculty, staff, contractors/vendors and temporary workers are required to wear a valid ID card while on the campus. All registered students must also have a valid ID in their possession while on campus and must present it upon request by any University Official. Failure to comply with these requirements may result in employee disciplinary action, student judicial action or removal from University property.

This Policy requires that:

I. Description

The SpartanCard is the University’s official identification card for employees, students and other NSU affiliates requiring school identification. It provides evidence of the individual’s status with the University. The SpartanCard contains all or some of the following information: the cardholder’s first name, middle initial and last name, a color photograph, the cardholder’s identification number with the University, department where employed or affiliated and expiration date.

II. Issuance, Replacement and SpartanCard Care
The institution will issue a SpartanCard to any individual who provides proof of employment/affiliation or student enrollment.

The Division of Student Affairs will notify students of the requirement to obtain a SpartanCard. All other respective departments will notify contractors of the requirement to obtain a SpartanCard.

The SpartanCard Office will issue one identification card to individuals providing proof of current enrollment or employment and proof of identity with a valid government issued form of identification. The SpartanCard Office will issue the first SpartanCard without charge.

Unauthorized possession, use or reproduction of a SpartanCard by an employee or student may constitute theft or inappropriate use of Norfolk State University’s property and will be grounds for disciplinary action up to and including termination of employment or student judicial sanction.

A. You must present valid, unexpired government issued identification such as a driver’s license, Military ID, Birth Certificate, Social Security Card or passport in order to obtain a SpartanCard. The first SpartanCard is issued at no cost to students, faculty and staff.

B. A nominal fee will be charged to replace cards that are lost, stolen and/or damaged. Damaged cards include but is not limited to cards that contain hole punches, cards that have been marked on, broken or bent, have had their magnetic stripe scratched, have been used to pry open or scrape objects, have been washed or dried in machines, or have had unauthorized stickers adhered to them. This fee is nonrefundable, even if the old card is found. If the department name, person’s name or employee’s status has changed the fee will be waived.

C. Your SpartanCard must be treated with care, as it is valid throughout the cardholder’s tenure at Norfolk State University. Do not attach items or punch holes in the card. Do not leave the card in direct sunlight or expose to extreme heat (i.e. clothes dryers and/or irons) or chemicals. Do not wash, crimp, bend, twist or break the card. Also, keep your card away from magnetic fields and others cards with magnetic strips. Do not use the card as a lock opening device or to scrape things. This care can avoid unnecessary replacement fees.

Volunteers must surrender their SpartanCard at such time as their reason for holding one ceases, or becomes so infrequent that to hold such identification becomes unnecessary from the University’s perspective.
