Christopher Newport University, Hampton University, Paul D. Camp Community College, Regent University, all campuses of Tidewater Community College, Thomas Nelson Community College and Virginia Wesleyan University. A reciprocal arrangement exists for students who are enrolled at these institutions. **All registration and schedule changes must be accomplished at the home school and require approval and completion of the Tidewater Consortium Student Cross-Registration Form.** Norfolk State University students must follow the procedures indicated:

1. **Students must have a 2.00 cumulative grade point average and be degree-seeking. First-semester NSU students cannot participate.**
2. Approval and signature of the appropriate advisor or department head must be secured and so designated on the Cross-Registration/Consortium Form. Forms may be obtained from the student's academic department or the Registrar's Office.
3. All courses must be listed on the Cross-Registration/Consortium Form and presented to the Office of the Registrar for processing during NSU's Registration period. **Developmental courses may not be taken through the consortium.**
4. It is the student's responsibility to deliver all forms to the Office of the Registrar at the host institution and to return the signed form to NSU's Office of the Registrar. **If the course is dropped or cancelled, it is the student's responsibility to inform his or her home institution.**
5. Must take at least one credit hour here at NSU during fall and spring semesters.
6. Cross Registration is limited to 30 semester hours.

NON-DEGREE SEEKING STUDENTS

All newly entering Non-degree seeking students must complete a Non-Degree Application in the Office of Admissions, Student Services Center, Second Floor, or complete the online application and choose the Undergraduate Non Degree option at www.nsu.edu/apply. Financial aid is not available for non-degree students except for those seeking teacher certification.

Returning non-degree seeking students are not required to complete another application.

All non-degree seeking students are required to meet with the department chair for each course in which they would like to register. Students seeking to complete any course online are to seek advisement with the respective academic department regarding any course enrollment. The academic department will complete the Course Registration Worksheet and forward to the student to obtain the student's signature. The student will return the signed worksheet to the advisor for processing.

Non-degree seeking students who desire to pursue a degree must complete an Undergraduate Application for Admission. The University requires that a student apply for a degree program after completing 29 semester hours.

COURSE AUDIT

The last day to declare an audit status for a course is August 22 (fall), January 16 (spring), May 21 (Summer Term A) and July 02 (Summer Term B). When auditing a course, you must have the permission of the instructor and notate on the Course Registration Worksheet (CRW) a code of "AU" in the credit hours section.

An audited course is counted as a part of a student's total class load, and he or she must pay tuition the same as if receiving credit. Changing from audit to credit or from credit to audit is permitted only during the scheduled "Add" period. Audited courses may be dropped during the scheduled "Drop" period. **Financial aid does not cover charges associated with classes that are audited.**

FINANCIAL AID

Norfolk State University offers scholarships, grants, loans and employment opportunities to assist students in paying for their education. Applicants who desire to receive financial aid must be admitted to the University as matriculating (degree-seeking) students and must complete the Free Application for Federal Student Aid (FAFSA) annually. Students who apply as Non-Degree Undergraduate or Non-Degree Graduate are not eligible for financial aid, except those seeking Teacher Certification.

Norfolk State University is required by federal regulations to adhere to minimum standards of Satisfactory Academic Progress (SAP) that relate to a student's eligibility for federally funded financial aid programs, state and institutional grants, scholarships, employment, and loan programs.

SATISFACTORY ACADEMIC PROGRESS POLICY FOR FINANCIAL AID

All undergraduate and graduate students must meet Satisfactory Academic Progress (SAP) requirements to receive financial aid at Norfolk State University. Federal regulations (CFR 668.34) require institutions of higher education to establish, publish and regularly apply standards of Satisfactory Academic Progress (SAP) for financial aid eligibility. The university measures your academic performance based on three standards; grade point average (GPA), pace and maximum time frame.

EVALUATION PROCESS

Each aid recipient's record will be evaluated at the end of each semester to determine if the student is meeting the progress described below. If the student has reached the maximum number of credits without earning a degree, the student must be excluded from further participation in federal and state financial aid programs. In addition, if the student has reached or exceeded 150% in total attempted credit hours for their degree program without earning a degree, the student must be excluded from further participation in federal and state financial aid programs.

Pace:

You must earn credit for at least **67%** of the hours you attempt. This calculation is performed by dividing the number of credit hours earned by the number of credit hours attempted.

Grade Point Average:

The minimum GPA requirement is based on the number of credit hours attempted. GPA standards mirror the university's academic suspension policy. (see table below)

Maximum Time:

You may not receive financial aid for more than **150%** (the equivalent of **180**) credit hours attempted. If your program requires more than 120 hours and you have reached the maximum time limit, please submit an appeal for review.

SAP REQUIREMENTS

Academic Classification Level	Total Credit Hours Earned	Cumulative Grade Point Average	Minimum Number of Credit Hours Earned to ensure Pace
Freshmen	Less than 30	1.7 or higher	Earn 67% of hours attempted
Sophomores	30 - 59 credit hours	1.8 or higher	Earn 67% of hours attempted
Juniors	60 - 89 credit hours	2.0 or higher	Earn 67% of hours attempted
Seniors	90 or more credit hours	2.0 or higher	Earn 67% of hours attempted
Graduate Students	XXXXXXXXXX	3.0 or higher	Earn 67% of hours attempted

FAILURE TO MEET MINIMUM SAP REQUIREMENTS

Any student who fails to meet minimum SAP requirements will be placed on **warning**. If a student is placed on warning, he or she does not need to appeal, because financial aid eligibility has not been revoked. If, at the end of the warning period the student does not meet the minimum requirements for SAP, all aid will be suspended for the following semester. As long as a student is meeting all requirements of the Satisfactory Academic Progress Policy, they are considered in "good standing" for financial aid.

REQUESTING REINSTATEMENT OF AID (APPEAL)

Financial Aid may be reinstated on **probation or academic plan** status by an approved appeal. A student who has had his/her financial aid eligibility terminated has the right to

make a written appeal if extenuating circumstances exist and can be documented OR if the student met all minimum enrollment and GPA requirements while on warning/probation/academic plan. If aid is not reinstated, suspension from aid will remain in effect.

SUBMITTING AN APPEAL

Students who wish to appeal the determination that satisfactory academic progress has not been maintained, may do so by submitting an appeal form, a personal statement, supporting documentation and the approved academic improvement plan to the Office of Student Financial Aid by the specific deadline date of each semester.

A completed Financial Aid SAP Appeal may be submitted in the following ways:

In Person:

Financial Aid Appeals Committee
Student Services Center, Suite 211

Via Fax:

757- 823-9059

Please include the student's name and ID number on all documents.

NSU encourages all undergraduates to enroll in 15 credit hours per semester to support timely graduation. Financial aid is awarded based on a projected full-time enrollment status for each term. Financial aid may be adjusted or cancelled if enrolled less than full-time. If enrolled less than half-time, only undergraduate students with Pell eligibility may be considered for assistance.

NOTICE

Financial Aid does not cover charges associated with classes that are continuous registration or audited at the University.

Federal regulations limit eligibility for Title IV federal aid due to repeated courses. Students may only receive Title IV federal aid for the first retake of a previously passed course. In addition, any subsequent retakes (after the first retake) of a previously passed course will not count towards the student's actual enrollment for Title IV funding purposes.

Adjustments may also be made to an award package if additional aid is received which affects overall financial aid eligibility.

PELL GRANT RECALCULATION POLICY

Federal Pell Grant is awarded based upon the results from completion of the Free Application for Federal Student Aid (FAFSA). The purpose of this section is guidance for recalculating of Federal Pell Grant based upon the enrollment status of undergraduate students.

How Enrollment Impacts Financial Aid

Norfolk State University's Financial Aid Office initially awards financial aid to undergraduate students based upon the assumption that students may enroll full-time (12 credit hours or more) for both fall and spring semesters. Below is a chart for calculating Federal Pell Grant based upon enrollment statuses:

Award	Full Time 12 + Credits	Three – Quarter Time 9 – 11 Credits	Half – Time 6 – 8 Credits	Less Than Half – Time 1 - 5 Credits
Federal Pell Grant	100% of the scheduled award	75% of the scheduled award	50% of the scheduled award	25% of the scheduled award
<i>A scheduled Pell Grant eligibility is based on the Expected Family Contribution (EFC) as calculated by the U.S. Department of Education from information obtained from the Free Application for Federal Student Aid (FAFSA).</i> <i>Students may be eligible for only a partial award based upon their Pell Grant Lifetime Eligibility Used (PELL LEU).</i> <i>Students who drop or withdraw from classes which results in or causes a change in his/her enrollment status is subjected to the Pell Recalculation Policy.</i>				

Pell Recalculation Policy

Pell recalculation refers to the process in which Pell Grant eligible students with enrollment changes during the semester may have Pell adjusted to reflect their current enrollment.

The Pell Grant Recalculation Date depends upon a student's enrollment. The table below reflects the dates in which Pell may be recalculated.

Fall 2025 Semester		
Semester	Semester Start and End Dates	Pell Recalculation Date (PRD)
Regular 15 week semester	8/16/2025 – 12/05/2025	09/18/25
Mini Term 1A/1C semester	8/19/2025 – 10/14/2025	Students will see aid adjusted on their student accounts the week of 09/18/2025
Mini Term 1B/1D semester	10/14/25 – 11/27/2025	Students will see aid adjusted on their student accounts the week of 10/13/25

Spring 2026 Semester		
Semester	Semester Start and End Dates	Pell Recalculation Date (PRD)
Regular 15 week semester	1/16/2026 – 05/08/26	1/26/2026
Mini Term 2A/2C semester	1/16/2026 – 02/26/26	Students will see aid adjusted on their student accounts the week of 1/26/2026

Refunds and Financial Aid Recalculations

Students who receive a refund from Norfolk State University and subsequently there is a change in the enrollment status may be required to repay all or a portion of the refund in addition to charges incurred as a result of recalculating financial aid eligibility.

The insurance rates included below are based on the current rates charged to international students. The policy renewals are not discussed until June/July of each year as the policy has an expiration date of July 31.

FINANCIAL AID WITHDRAWAL POLICY

Any student who wishes to withdraw from the University must submit an Application for Withdrawal which may be obtained from the Office of the Registrar or his/her academic department/advisor. The financial aid office is responsible for processing of both official and unofficial withdrawals. Students who fail to complete the Office Application for Withdrawal from the University and who receive all F grades at the 10th week advisory grading and final grading periods are considered unofficial withdrawals. Financial aid will notify, in writing, student receiving all F grades. Failure to respond to any correspondences will result in processing an 'unofficial withdrawal'.

FEDERAL RETURN OF TITLE IV REFUND POLICY

Official withdrawal refunds on all allowable charges including tuition and fees will be prorated on a per diem basis based on the number of days in attendance as a proportion to the number of days in the term or period or enrollment, up to the 60% point in the semester. There are not refunds after the 60% point in time as the federal regulations view the aid has been 100% earned" after that point in time. A copy of the calculation and examples can be requested from the Office of Student Financial aid.

The Return to Title IV Refund Policy is based on the federal mandate that student earn federal financial aid eligibility in proportion to the amount of time the student was enrolled. The earned portion of a student's federal financial aid will be disbursed to the student account to assist in paying Institutional related expenses. The unearned portion will be refunded and/or returned to the U.S. Department of Education Title IV Programs.

Official Withdrawal Date	% OF FINANCIAL AID TO BE RETAINED BY SCHOOL
Before the 1 st day of class	0%
Week 1 (Day 1-7)	1% thru 8%
Week 2 (Day 8-14)	9% thru 14%

Week 8 (Day 50-56)	51% thru 57%
Week 9 (Day 57-58)	58% thru 59%
After 59 days of enrollment	100% is retained by the University

RETURN OF UNEARNED TUITION ASSISTANCE

Norfolk State University will return any unearned Tuition Assistance (TA) funds to the issuing agency up to 60 percent point of the semester. Unearned TA will be returned based on the following schedule

Withdrawal Period	% OF UNEARNED TA RETURNED TO THE GOVERNMENT
Withdrawal weeks 1-2	100%
Withdrawal weeks 3-4	75%
Withdrawal weeks 5-8	50%
Withdrawal weeks 9*	40%
Withdrawal weeks 10-16	0%

*60% of course is completed

OFF-CAMPUS COURSES (Modular Term)

For all off-campus classes, a student must process an official Drop Form **before** the course has met the **second** scheduled time in order to receive a complete refund. After a class has met for the second time, a student may withdraw from the class, but will not be eligible for any refund.

ROOM CHARGES

Room Charges are refundable to on-campus students only if they official withdraw prior t the 1st day of class. Special allowances will be made for student's withdrawing during the first five days of the semester.

BOARD CHARGES

Board Charges are set on a "per day" basis at the beginning of each academic year. This amount is multiplied by the number of days the student is actually enrolled to determine the cost that a student will be charged meals

STUDENT FINANCIAL AID

When it comes to paying for college, you're not alone. Grants, work-study, and low interest loans help make college affordable. Grants are financial aid that doesn't have to be repaid (unless, for example, you withdraw

from school and owe a refund). Loans are borrowed funds for college; you must repay your loans, with interest. Work-study is a work program through which you earn money to help you pay for school. Federal student aid covers such expenses as tuition and fees, room and board, books, supplies and transportation. Norfolk State University's student financial aid programs are administered in conjunction with Federal and State regulations and the Philosophy of Awarding Financial Aid for Higher Education. Student Financial Aid programs act as a bridge to closing the gap between student and parent resources and college related expenses.

TITLE IV FINANCIAL AID PROGRAMS

Federal Pell Grant (PELL)

Federal Supplemental Educational Opportunity Grant (SEOG)

Federal Direct Subsidized Loan – Undergraduate students only

Federal Direct Unsubsidized Loan

NON-TITLE IV PROGRAMS

The Financial Aid office is responsible for calculating the percentage earned by student for Virginia and other state aid programs as deemed required by the funding agencies (i.e. SCHEV, DC etc.) as well as any institutional funds.

The University has an Application to Withdrawal that can be obtained from the students' academic department or advisor. All students are required to complete the Application for Withdrawal at the point he/she decides to cease enrollment. Unofficial withdrawal from the University will result in the student being assessed full charges for the enrollment period (semester).

EXIT COUNSELING

The Financial Aid Office is responsible for ensuring that all students who officially or unofficial withdraw, leave the University and/or graduate are sent Exit Counseling information. The U.S. Department provides online exit counseling via www.studentloans.gov. The Financial Aid Office ensures exit counseling letters are mailed to students and a copy is maintained in the student's record.

INTERNATIONAL STUDENT SERVICES

As required by law, all international students on F-1 visa must visit the Office of Accessibility Services and International Services (O.A.S.I.S) with their visa documents prior to initial registration. Additionally, F-1 students must enroll on a full-time basis every semester to retain proper visa status.

All F-1 students are required to be covered by health insurance that meets specific criteria and provides certain benefits, including medical evacuation and repatriation of remains. These students will be automatically enrolled for both the accident and sickness benefit's portions of the Student Accident and Insurance Plan. A premium of \$1,934.40 or more will be assessed to international

students in two equal installments each semester. These rates are subject to change pending annual updates not available at the time of this publication. Post-survey feedback will also provide you with information on what you can expect from an online course.

Step 1: Secure funds for your education.

- Learn about available scholarships, financing your education, paying your tuition, and taking advantage of various payment options, by visiting the [Financial Aid website](#).
- Complete your free application for Federal Student Aid (FAFSA) as soon as possible at www.fafsa.ed.gov. Pay special attention to the priority deadlines.

Your MyNSU ID and password are the same as your username and password for other campus network computer resources. In order to access [MyNSU](#) you need a computer with Internet access and one of the following [supported desktop and/or mobile web browsers](#).

For questions or concerns about accessing MyNSU, please call NSU Client Services at 757-823-8678 or email clientservices@nsu.edu.

Step 5: Register for Classes

Log-in to [MyNSU](#). Currently enrolled students are able to register for classes online using Spartan Self Service in the MyNSU portal and clicking the Register/Drop Classes option. Prospective students should use the [Search for Classes](#) option to see what classes are available. This listing is updated every 24 hours.

The results screen provides the term, status, section name and title, location, meeting information, faculty, available/capacity, credits, CEUs, and academic level for the section criteria selected. The Status field specifies if the course is open or closed for enrollment based on the Available/Capacity numbers.
